A RECENT issue of the National Magazine just received by us does credit to North Carolina by devoting a larger part of its space to this State. It is a fine volume and we believe North Carolina's showing will stand among the best.

THE many friends here of Mr. P. B. Fleming, of Raleigh, will learn with much regret of his serious accident on Wednesday of this week. He accidentally got hold of a live electrical wire and came near being killed. At last reports he was doing as well as could be expected.

Through Road Items.

The crops of this section are looking much better since the rain.
