

THE Boys and Young Men WHO ARE AMBITIOUS

To do their share of the work in the world find the sturdy habits which they form in conserving their income, and the valuable acquaintances they make while growing a bank account, will prove a material help in placing them in positions of influence and responsibility later in life.

A Prayer.

Across the miles to you, dear heart,
Comes love and faith each day from me,
And though we must now be apart
I guard you by my earnest plea;
I always pray this little prayer,
God keep you safely everywhere.

Today I may not touch your hand,
Nor look upon your dear, strong face,
But Ah, you know and understand
The words that fly across the space,
And there is ever just this prayer,
God keep you safely everywhere.

The thought of you makes time seem
bright,

It helps me through the long, long day,
And in the quiet hours of night
I think of you, so far away;
Then e'er I sleep I pray this prayer,
God keep you safely everywhere.

With arms outstretched I turn my eyes
Out to the world where still you roam,
Each day I wait the glad surprise
That brings you back to me and home;
While always for you is this prayer,
God keep you safely everywhere.

—LILLA RIPLEY BARNWELL,
Hendersonville, N. C. June, 1911.

TAR DROPS.

—Shall we have the market
house?

—What about the "hospital for
Louisburg?"

—Push your town and your town
will push you.

—Shall we revive the old Cham-
ber of Commerce?

—Read the advertisement of Supt.
W. R. Mills in this issue.

—Do something to boost your
town. Don't be a pull back.

—The heavy wind on Tuesday
night blew down the town bell.

—Read the advertisement about
the baseball games to be here next
week.

—The street committee would do
well to have the weeds cut down on
the streets.

—Quite a large number of our
people took in the excursion to Ox-
ford Saturday.

—No doubt some fast ball will
be played at Williamson's park next
week. Go out.

—If you are in earnest about your
love for baseball go out to witness
the games next week.

—We hope the spirit of improve-
ment will stir the people of Louis-
burg again this season.

—Anybody ought to be willing to
take either of the past few days in
payment for hot weather.

—If you want your boy or girl to
attend the graded school here next
term you had better have them vac-
cinated.

—Don't forget that on Monday,
Tuesday and Wednesday of next
week we will have baseball at Wil-
lamson's park.

—Quite a large number of our
people went to Peachtree yesterday
to attend the public installation of
the officers of Central cross lodge.

—Read all the changes of adver-
tisements in this issue. There is a
great deal you can learn from them,
even though you are not in the
market for anything.

—G. W. Ford lost his saw mill
that was located near W. G. Ball's
one night this week by fire. The
damage was right much and the
cause of the fire is unknown.

—Nearly all of the back streets
are badly in need of the attention of
the street committee and no doubt
it would be wise to put them in good
shape before they get too bad off.

—We learn that Dr. Burt is pre-
paring to have the sidewalk around
his building on the corner of Main
and Court streets, paved. This will
be a great improvement to this cor-
ner.

—We are requested to state that
Rev. J. W. Sledge will preach at
Oak Grove church, three miles east
of Wake Forest, on the second Sun-
day in July at 11 a. m., and on Sat-
urday afternoon before at 3 o'clock.

—We are requested by Secretary
T. H. Sledge to state that all the
lady members of the Farmers Union
in Franklin county are invited to
attend the county meeting at Maple
ville on July 6th.

—Cards have been received an-
nouncing the marriage of Miss
Claude Aycooke to Mr. James M.
Adams, on Wednesday June 28th,
Florence, S. C. Her many friends
here extend congratulations and best
wishes.

—We desire to call attention to
the advertisement of the State Nor-
mal and industrial College which
appears in this issue. Every year
shows a steady growth in this insti-
tution devoted to the higher educa-
tion of the women of North Caro-
lina. The College last year had a
total enrollment of 909 students.
Eighty-seven of the ninety-eight
counties of the State had repre-
sentatives in the student body. Nine
tenths of all the graduates of this
institution have taught or are now
teaching in the schools of North
Carolina. The dormitories are fur-
nished by the State and board is
provided at actual cost. Two hun-
dred appointments with free tuition,
apportioned among the several coun-
ties according to school population,
will be awarded to applicants about
the middle of July. Students who
wish to attend this institution next
year should make application as
early as possible, as the capacity of
the dormitories is limited.

STOCKHOLDERS MEETING.

The regular semi-annual meeting
of stockholders of the Louisburg
Wagon Co., will be held at the office
of the company on Wednesday, July
5th, 1911, at 3 o'clock p. m.

Geo. H. COOPER, Pres.

Through Road Items.

—As I haven't seen any items from
here lately will send in a few to let
you know we are still in the land of
the living.

The crops of this section are grow-
ing rapidly since the rain and "Mr.
Greens" progress is just fine.

Frank Hicks and George Hunt
visited Moulton last Sunday and re-
ports a grand time.

A crowd from here attended the
children's day exercises at Serepta
Sunday. The exercises were fine as
was also Mr. Thompson's sermon in

the afternoon.

J. H. Hunt, who has been in the
hospital at Baltimore the past week,
underwent an operation for appen-
dicitis all right, and from last re-
ports he is getting on nicely.

Sam Foster and Joseph Hunt
were visitors near Moulton Sunday.
With best wishes for the TIMES.

Vaccination! Vaccination!

At a recent meeting of the Board of
Graded School Trustees, a resolution
was adopted, requiring all pupils to be
vaccinated successfully before being
allowed to attend the Graded School.
It is highly important that parents at-
tend to this matter before school opens.
This regulation will be enforced and we
trust no one will be excluded from
school on this account. By order of the
Board W. R. MILLS, Supt.
