Jeremiah Tried and Acquitted. Jer. xxvi.

Golden Text—The lord is my light and my salvation; whom shall I fear? Ps. xxviii:1.

(1.) Verses 1-6—What was the character of Jehoiakim, also of Josiah, his father?

(2.) To whom did the word of the Lord come?

(3.) How did God probably speak to Jeremiah?

(4.) May all persons to day, with the goodness and ability of Jeremiah, bear the voice of the Lord as distinctly as he did?

(5.) What was the message which the Lord gave Jeremiah to deliver?

(6.) If the people had repented at the command of the Lord, would the kingdom of Judah have been preserved?

(7.) Why can there be no escape for sinners, from the just punishment of their sins, unless they repent?

(8.) Verses 7-10—How do you account for it that the priests and the prophets wanted to kill Jeremiah, for delivering the message that God had given him?

(9.) If a professional priest, or preacher, is backslidden and living in sin, why is he apt to do more cruel to a faithful preacher of righteousness than an ordinary sinner?

(10.) From the days of Jesus until now, by whom have the martyrs been put to death, or, admittedly men of God, expelled from the churches?

(11.) Which are the more cruel to those who rebuke them, men who under cover of religion are doing wrong, or outstanding sinners such, for example, as gamblers?

(12.) Verses 11-12—Did these priests and prophets, who wanted to put Jeremiah to death for preaching the truth, believe that he was wrong and they were right; or knowing he was right, want to get rid of him for exposing their sins?

(13.) What qualities did Jeremiah possess which are essential to all who obey God in rebuking sin?

(14.) Must a good man always rebuke what he knows to be wrong, no matter how much danger it may involve to himself? Give your reasons.

(15.) Is it the lack of knowledge that they are wrong, or something else, which causes people to remain in sin?

(16.) Verses 13-15—Do you know of any Bible threat against sinners, that is not associated with a promise of forgiveness on repentance?

(17.) Is it possible for a good man to die or be put to death, before his work is done? Why?

(18.) Verses 16-26—The priests and the prophets are the accusers of Jeremiah and want to put him to death, and the princes and people appear to be the judge and jury; what was their verdict and upon what was it based?

(19.) Is it safe in these days to trust the people to decide moral issues? (This is one of the questions which may be answered in writing by members of the club.)

(20.) What were the two historic incidents mentioned as precedents,

### Don't Worry—Eat.

Memphis, Tenn.—Mrs. Emma D. Looney, of this place, says: "I suffered misery for nearly eight years, but since taking Doan's Kidney Pills, and I haven't missed a single meal. I hardly know how to express my gratitude." Don't worry about your symptoms—Doan's doesn't treat them. What you need is strength. Doan's helps you to get it. Take Doan's, because other tonics and medicines do not contain its peculiar and successful ingredients, imported especially for its manufacture. Half a century of success, has stamped Doan's with the seal of public approval. During this time, Doan's has benefited a million women. Why not you? Try it, today.

for the acquittal of Jeremiah?

(21.) What has been the fate in the past of true and courageous prophets, and how are they treated today?

(22.) Which is the better, to faithfully do the will of God at the expense of our lives, or to dodge His will and save our lives?

### A Welcome Chance to Those Who Suffer

Coming to Louisburg on Saturday July 29th, to stay at Hotel Lancaster Dr. Francis S. Packard of Greensboro, N. C. Consultation and Examination Confidential, invited and Free. One Day Only Saturday, July 29th.

From a Late snapshot

To see all of his regular Patients and such new Cases, as may wish to consult him. Dr. Packard enjoys a state wide reputation, among the profession and the Public of North Carolina, where for more than 25 years he has devoted his entire time to the Study, Treatment and Cure of Chronic Diseases. The Doctor has had wonderful success in his chosen work, that of curing chronic sufferers, Men, Women and Children. The Patients he has restored to Health after they had given up all hope of being Cured are numbered by the Thousands. He is a kind, generous, democratic gentleman to meet, of high scholarly attainments, and dignified personality. Coupled with a Brotherly interest, in all who seek his advice. He does not take a Patient for Treatment unless he can foresee a Cure of the Case. This most commendable feature of his work, and one that appeals to the ordinary sick person, is the fact of his charges being so reasonable and moderate as to make it within the reach of even the very poor. At no time do the charges amount to more than \$7.00 a month or about \$1.50 a week. He gives his own medicines, and there are no extra Charges. It takes him never more than from four to six Months to Cure a Case under Treatment. All Cases, even those who have been given up as Incurable or Hopeless, have been Cured and restored to perfect health by this Brilliant Physician and the wonderful methods he employs.

If you want to meet him and have him examine you, go to see him, and talk the matter over with him. It will cost you nothing if he does not put you under treatment. If he takes your case, it will cost you a very small sum to get well.

Remember the Date— and come early.
