Pleasant Evening Reveries.—A Column Dedicated to Tired Mothers as They Join the Home Circle at Evening Tide

## RUDE THOUGHTS FROM THE EDITORIAL PEN

If you intend to treat yourself any better than your wife, don't take one.

If you have an idea that you are too good for a packed up dinner, remain a bachelor.

A trade is a good thing to have; it's better than gold—brings a larger premium. But to make a premium, the trade must be perfect—no silver plated affair. Determine in your mind to be a good workman, or let the job out. Learning a trade is different from eating mush and milk—mechanical education does not slip down without chewing. Never slight your work, never. Every job you do is a sign. Poor signs are against success.

The matron who appears before the members of the family in a shabby, soiled wrapper and makes the excuse, if indeed she takes the trouble to make one at all, that "it is so much more comfortable," has little idea of the possible consequences of such a course. Could she but realize that her dress is an evil example to her daughters, and productive of consequences that will reach far beyond her own spin of life; that her husband and sons cannot fail to draw comparisons between her dress and that of the ladies they meet in other homes, and that these comparisons cannot fail to decrease their respect for her, she might be induced to give more attention to her personal appearance.

Mothers sometimes say when a child shows a vile temper and shrieks a good deal, that it would endanger his life to punish him; perhaps so, but you still more endanger his future if you don't punish him. Many a gallows tragedy had its beginning on the mother's lap. We wish we could write it in imperishable, glowing letters on the walls of every home—obedience, obedience, obedience! Obedience to law—to household law; to parental authority unquestioning, instant, exact obedience. Obedience in the family, obedience in the school! Wherever from the beginning, from the first glimmering intelligence in the child, there is expression of law, let there be taught respect for it and obedience to it. It is the royal road to virtue, to good citizenship, it is the only road.

We know that music is pleasant, and home is not home where there are no songs or sweet harmonies; but a knowledge of the piano will not help a woman discharge her wifely duties, and a smattering of French or an ability to waltz gracefully, will do but little towards preparing a palatable dinner for a husband when he comes home hungry.

Society at the present day demands that girls shall be what they call accomplished; and to fulfill this demand the mothers of Christendom teach their daughters that a knowledge of all that belong to life's duties at home is not one of the requirements, that manual labor must be consonant with drawing room cultivation. And so their lily hands slip idly over the piano keys; they waltz in the most approved style; sip a little French or German quote poetry—and society says they are accomplished. Doubtless they are, and by-and-by, as all modern fashionables do, they win a husband.

Let us say to you, young man, that pluck wins more battles than luck. Wishing is the easiest way in the world to get a poor living. Looking for the fortunate star to rise is like standing on the ocean's strand waiting and watching for wealth-laden ships to come over the sea that never "put out." Wishing

brings a small income, and the taxes on it are enormous.

Never in the history of any country, in any age, has there been such a mighty work before the youth of our land as there is today; and we might say never were young men as ignorant of it and unfitted for their work. Each one wants the other to row the boat while he catches the fish.

Profanity never did any man the least good. No man is the richer, the happier, or wiser for it. It commends no one to any society. It is disgusting to the refined; abominable to the good; insulting to those with whom we associate; degrading to the mind; unprofitable, needless and injurious in society. Young men, don't be profane.

When a man has established a home has a wife and children, the most important duties of his life have fairly begun. The errors of his youth may be obliterated, the faults of his early days may be overlooked but from the moment of his marriage he commences to write an ineffable history; not by pen and ink, but by deeds, by which he must ever afterwards be reported and judged.

Setting a young man afloat with money left him by his relatives, is like tying a bladder under the arm of one who cannot swim; ten chances to one he will lose the bladder and go to the bottom. Teach him to swim and he will not need the bladder. Give your child a good education. See to it that his morals are pure, his mind cultivated, and his whole nature made subservient to the laws which govern man, and you will have given what will be of more value than the wealth of the Indies. You have given him a start which no misfortune can deprive him of.

Don't forget mother when picnics and good times are in order. Don't let her do all the work. And boys treat her to some fresh air every day behind that newly-broken colt.

Starts Luch Trouble. If all people knew that neglect of constipation would result in severe indigestions, yellow jaundice or cirrhosis of the liver, they would soon take Dr. King's New Life Pills, and end it. It's the only safe way. Best for biliousness; headache, dyspepsia, chills and debility. 25c at Aycock Drug Co.

### AVOID HARSH DRUGS.

Many Cathartics Tend to Cause Injury to the Bowels. If you are subject to constipation, you should avoid strong drugs and cathartics. They only give temporary relief and their reaction is harmful and sometimes more annoying than constipation. They in no way effect a cure and their tendency is to weaken the already weak organs with which they come in contact.

We honestly believe that we have the best constipation treatment ever devised. Our faith in it is so strong that we sell it on the positive guarantee that it shall not cost the user a cent if it does not give entire satisfaction and completely remedy constipation. This preparation is called Rexall Orderlies. These are prompt, soothing, and most effective in action. They are made of a recent chemical discovery. Their principal ingredient is odorless, tasteless, and colorless. Combined with other well-known ingredients, long established for their usefulness in the treatment of constipation, it forms a tablet which is eaten just like candy. They may be taken at any time, either day or night, without fear of their causing any inconvenience whatever. They do not grip, purge, nor cause nausea. They act without causing any pain or excessive looseness of the bowels. They are ideal for children, weak, delicate persons, and aged people, as well as for the most hearty person.

They come in three size packages. 12 tablets, 10 cents; 36 tablets, 25 cents; 90 tablets, 50 cents. Remember, you can obtain them only at our store—The Rexall Store. The Scoggin Drug Co.

## THOUGHT HER DEATH NEAR

What a Lady in Valley Fork Discovered in Regard to Cardul.

Valley Fork, W. Va.—"I was so weak," writes Mrs. W. A. Thomas, of Valley Fork, "that I could hardly get around in the house. I used Cardul, and now I feel better, and my friends say I look better, than I have for a long time.

I thought I would die, but Cardul brought me around all right. Cardul saved my life, and I do not want to be without it."

The strength-giving properties of this purely vegetable, tonic remedy, for women, are not the result of powerful druggery, but of gentle, natural building action, on the womanly organs.

As a general tonic for women, to improve the appetite and build up the system, Cardul is in a class by itself.

As a quick relief from all forms of womanly trouble, no medicine is so good as Cardul, the woman's tonic. Try it today. Sold at all drug stores.

### HOW TO CURE RHEUMATISM

It is An Internal Disease And Requires An Internal Remedy.

The cause of rheumatism and kindred diseases is an excess of uric acid in the blood. To cure this terrible disease this acid must be expelled and the system so regulated that no more acid will be formed in excessive quantities. Rheumatism is an internal disease and requires an internal remedy. RUBBING with Oils and Liniments WILL NOT CURE, affords only temporary relief at best, causes you to delay the proper treatment, and allows the malady to get a firmer hold on you. Liniments may ease the pain, but they will no more cure rheumatism than paint will change the color of rotten wood.

Science has at last discovered a perfect and complete cure, which is called Rheumacide. Tested in hundreds of cases, it has effected the most marvelous cures; we believe it will cure you. Rheumacide gets at the joints from the inside, sweeps the poisons out of the system, tones up the stomach, regulates the liver and kidneys and makes you well all over. Rheumacide strikes the root of the disease and removes its cause. This splendid remedy is sold by druggists and dealers generally at 50c, and \$1 a bottle in Tablet form at 25c and 50c a package. Write to Bobbitt Chemical Co., Baltimore, Md. Booklet free. Tablets sent by mail.
