The TIMES last week reported the death of a person 107 years old as being the oldest in this county. We deny this, as there died at George Fuller's last week an old colored woman, Fanny Harris, who was born in 1801, which makes her 110 years old at her death, she being born in July of that year.

James S. Yarboro, E. P. Blackley, the Gooch Brothers, of Wilton, and several other "Knights of the Forest," sports, had a nice little fox hunt last Tuesday. They jumped "Reynard" near Pope's Chapel church, had a lively chase of one hour and ten minutes and caught him near the spot they started him. He was a "fine fellow."

Your Money Back if You Are Not Satisfied With the Medicine We Recommend.

We are so positive that our remedy will permanently relieve constipation, no matter how chronic it may be, that we offer to furnish the medicine at our expense should it fail to produce satisfactory results.

It is worse than useless to attempt to cure constipation with cathartic drugs. Laxative or cathartics do much harm. They cause a reaction, irritate, and weaken the bowels and tend to make constipation more chronic. Besides, their use becomes a habit that is dangerous.

Constipation is caused by a weakness of the nerves and muscles of the large intestine or descending colon. To expect permanent relief you must therefore tone up and strengthen these organs and restore them to healthier activity.

We want you to try Rexall Orderlies on our recommendation. They are exceedingly pleasant to take, being eaten like candy, and are ideal for children, delicate persons, and old folks, as well as for the robust. They act directly on the nerves and muscles of the bowels. They apparently have a neutral action on other associate organs or glands. They do not purge, cause excessive looseness, nor create any inconvenience whatever. They may be taken at any time, day or night. They will positively relieve chronic or habitual constipation, if not of surgical variety, and the myriads of associate or dependent chronic ailments, if taken with regularity for a reasonable length of time. 12 tablets, 10 cents; 25 tablets, 25 cents; 50 tablets, 50 cents. Sold only at our store—The Rexall Store. The Seeggin Drug Co.

many fine crops of corn has been housed. W. A. Fuller made 100 bbls. with two horses and 20 bales of cotton, besides wheat, peas, potatoes, meat and everything else needed on the farm.

Pope's Local Union is preparing for an oyster supper Thanksgiving Day. While cotton is low, we are thanking for so many blessings.

A few nights past some of our young men came out from town to try our good roads and they must have had some of the beloved spirits that comes in those brown paper boxes that we see on every roadside. Their horses' feet were heard as in the days of Grant and Lee.

CAUSE FOR ALARM.

Loss of Appetite or Distress After Eating a Symptom That Should Not Be Disregarded.

Appetite is just a natural desire for food. Loss of appetite or stomach distress after eating indicate indigestion or dyspepsia. Over-eating is a habit very dangerous to a person's good general health.

It is not what you eat, but what you digest and assimilate that does you good. Some of the strongest, heaviest, and healthiest persons are moderate eaters.

There is nothing that will cause more trouble than a disordered stomach, and many people daily contract serious maladies simply through disregard or abuse of the stomach.

We urge all who suffer from any stomach derangement, indigestion, or dyspepsia, whether acute or chronic, to try Rexall Dyspepsia Tablets, with the distinct understanding that we will refund their money without question or formality, if after reasonable use of this medicine they are not perfectly satisfied with the results. We recommend them to our customers every day, and have yet to hear of any one who has not been benefited by them. We honestly believe them to be with out equal. They give very prompt relief, aiding to neutralize the gastric juices, strengthen the digestive organs, to regulate the bowels, and thus to promote perfect nutrition, and eradicate all unhealthy symptoms.

We urge you to try a 25c. box of Rexall Dyspepsia Tablets, which gives 15 days' treatment. At the end of that time, your money will be returned to you if you are not satisfied. Of course, in chronic cases, length of treatment varies. For such cases, we have two larger sizes, which sell for 50c. and \$1.00. Remember, you can obtain Rexall Remedies in this community only at our store—The Rexall Store.
