FRIDAY, May 24 1912

Quite a large crowd were here Monday to attend the Convention.

The trial of the remainder of the Allen gang of Virginia is now going on.

EVERYTHING passed off quietly at the primary and Convention the past week.

AMONG the latest from the Republican national circles is that Teddy is insane.

It seems that everybody was well pleased with the result of the Convention.

THE jury in the Floyd Allen case found the prisoner guilty of murder in the first degree.

PASTOR Richeson, the preacher who killed his sweetheart, was electrocuted at 12:17 a. m., Tuesday.

Now that the Convention is over let everybody go to work and heap up a big majority for the successful candidates.

Now that the Convention is over let us hope the weather will subside enough that the roads leading in an out of Louisburg may be put in reasonably good repair.

You would have expected everybody else to support your choice had he been nominated, now come across like a man and do unto others as you would have them do unto you.

ON account of the Commencement at the College we were unable to get the annual statements bound ready for distribution this week but will send them out with our next issue.

We have been assured by some of the town commissioners that a more active interest in the town's affairs would be taken in the near future. Let us hope so. About the best starting point would be to make public an annual statement.

THERE is being right much said in regard to the sanitation of the connecting sewerage in Louisburg. There is no question but that this should be looked after and if any grounds be found for the complaint the necessary steps should be taken to have the corrections made.

THERE seems to be an utter disregard for the town law prohibiting bicycle riding on the sidewalks in Louisburg by the many riders. It seems that everybody who travels on bicycles on Church street takes the sidewalks and we learn they are about as bad everywhere else. This is a practice that should be stopped as it is dangerous.

It seems to us that it is either the duty of the Clerk or the Superintendent of the water plant to refuse to allow two or more families to use water connections through one tap and one meter and pay only one price. The editor has information of two instances at least where in the town is losing \$2.29 per month through just this practice. It isn't the amount of money that is involved that hurts, but the precedent the authorities are setting and the principle as compared with other customers who are fair enough to provide separate connections, even though they do not use the minimum. The practice is not right gentlemen and should not be allowed. No other town allows it.

## DEMOCRATIC CONVENTION

(Continued From Page One)

L. Whitfield, of Franklinton, placed Mr. A. B. Wester in nomination and Mr. J. B. Fulghum, of Cedar Rock, made the second.

No other nominations being made a vote was called for and resulted as follows:

Turner 54.56  
Wester 29.44

Next in order was the nominations County Commissioners which were made as follows:

Mr. G. R. King nominated Mr. T. S. Collie and Mr. J. N. Harris seconded same.

Mr. W. D. Upchurch was nominated by Dr. W. P. Simpson and seconded by Mr. S. P. Boddie.

Mr. J. O. Wilson was nominated by Mr. D. E. Harris.

Mr. T. H. Dickens was nominated by Mr. J. B. Fulghum.

Mr. J. H. Cooke was placed in nomination by Mr. B. W. Ballard.

Mr. J. H. Ballentine was placed in nomination by Mr. S. P. Boddie.

Mr. J. H. Uzzell was nominated by Mr. D. F. McKinne.

Mr. E. M. Gupton was placed in nomination by Capt. P. G. Alston.

Mr. J. T. Weldon was nominated by Mr. S. Y. Macon.

After the Chair hearing no response to a call for other nominations a vote was called for which resulted as follows, the first five being declared the nominees:

T. S. Collie 55.  
J. H. Cooke 55.  
J. O. Wilson 48½  
J. H. Ballentine 63.  
J. H. Uzzell 50.  
T. H. Dickens 49.  
E. M. Gupton 46.  
W. D. Upchurch 29½  
J. T. Weldon 16.

This concluding the nomination for Commissioners, Mr. E. N. Williams placed the name of Mr. B. B. Egerton in nomination for Surveyor.

Dr. R. P. Floyd offered the name of Mr. J. T. Incoe, the present incumbent, whereupon Mr. Incoe arose and after seconding Mr. Egerton's nomination withdrew his name and moved that Mr. Egerton's nomination be made by acclamation which prevailed.

Dr. W. P. Simpson was nominated as Coroner by Mr. S. P. Boddie, whose nomination, upon motion, was made by acclamation.

This concluding the nominations Mr. G. R. King, of Cedar Rock, read the following resolution in regard to Hon. E. W. Pou, which was unanimously adopted:

Be it resolved That we, the Democratic Convention of Franklin county now in body assembled in the town of Louisburg this the 20th day of May, 1912, endorsing the past record of Hon. E. W. Pou and observing and appreciating his many efforts in behalf of his people in the House of Representatives of the United States, do instruct our delegation to the Democratic Convention of the Fourth Congressional District to be held in the city of Raleigh on the 5th day of June, 1912, to cast their vote for the Hon. E. W. Pou to the House of Representatives of the United States, First, last, and all other ballots.

Mr. S. P. Boddie offered the following resolution in behalf of Hon. Locke Craig which was also unanimously adopted:

Be it resolved, that we, the Democratic Convention of Franklin county now in body assembled in the Town of Louisburg this the 20th day of May, 1912, recognizing his high integrity and ability and his loyalty to the State we do instruct our delegation to the State Democratic Convention of North Carolina, to be held in the city of Raleigh on the 6th day of June, 1912, to cast their ballots for the Hon. Locke Craig of Buncombe county for Governor, first, last and all other ballots.

Mr. B. W. Ballard in a very impressive and pretty speech asked that the Convention instruct its delegates to vote for and do all in their power to secure the election of Mr. R. E. White as National Committeeman. The motion carried by a rising vote amid much enthusiasm.

Mr. G. R. King made a motion that owing to the inconvenience and loss of time, by the convention consuming two days, we authorize each township delegation to prepare their list of delegates to the various conventions and send them in on next Saturday to be confirmed, by one delegate, thereby doing away with the necessity of all delegates attending the meeting Saturday. The motion was adopted.

No other business coming before the convention it adjourned to meet again next Saturday, the 25th.

All of the nominating speeches and speeches seconding the nominations were fine, but especially so were the ones made by Supt. E. B. White in nominating Mr. W. H. Allen for Sheriff, wherein he referred to his past life in each phase paying high tribute to the man and congratulating the county upon being able to get such a one to serve them; the one of Mr. G. L. Whitfield in nominating Mr. A. B. Wester for the House of Representatives, a gem well worth recording in any mind's library; and the one of Mr. G. R. King in nominating Mr. T. S. Collie to succeed himself as County Commissioner. In the last Mr. King referred to the fact that he was not asking it because he thought the party was in debt to him as he did not believe the party owed any man anything, but upon the record he had laid up for the reference of any who desired, showing his eternal fitness for the position, and especially emphasized the fact that instead of the office being intended to be trafficked around the wisest course for the people to pursue was to "hold on to a good thing when they had an opportunity." In his remarks he referred to Senator Simmons and his record when the delegates and spectators all joined hands in sending up a loud and continuous applause.

In all things before the convention harmony was always conspicuous resulting in good feeling and apparently perfect satisfaction in every particular. Immediately after the adjournment of the convention the Executive Committee met and re-elected Mr. J. R. Collie Chairman and Mr. J. A. Turner Secretary.

All indications now point to a united and harmonious work to increase the majority in the coming election.
