People with kidney ills want to be cured. When one suffers the tortures of an aching back, relief is eagerly sought for. There are many remedies today that relieve, but do not cure. Doan's Kidney Pills have cured thousands. Here is proof:

Murdoch McRae, 317 Washington St., Rocky Mount, N. C., says: "For two weeks kidney trouble made me miserable. My back was painful, particularly when I stooped or lifted and it ached intensely at night, keeping me from sleeping well. I tired easily, was languid and nervous and had a great deal of trouble from headaches and dizzy spells. Sometimes I had to get up at night to pass the kidney secretions and I noticed that there was sediment in them. A short time ago I began the use of Doan's Kidney Pills and they cured me promptly. Doan's Kidney Pills are by far the best medicine I ever took for backache."

A few days later there was a knock at Mr. Bookmaker's study door, and in reply to the usual "Come!" the new maid, fresh and pretty, appeared. "Please sir," she said, "Mrs. Bookmaker said I was never to disturb you unless she was out."

"Well?" said Mr. Bookmaker inquiringly.

"She's out, sir."
