Miss Emily Insoe Dead.

Miss Emily Insoe departed this life on the night of August 19, 1912, at her eighty-fifth year. She suffered a lot but she was a true and devoted wife, better than anybody I ever was with. She was a sister of Mrs. Norbert Insoe. She was a devoted wife and mother, and she was a true and devoted friend to all who knew her. She was a true and devoted friend to all who knew her. Perfect lines for the woman of stout figure are most easily secured by wearing a Kabo form-reducing corset. This new idea known as KABO applies especially to the corsets for women of full figure. The model used for fashioning these corsets has quite a full figure. These corsets are fashioned in such a way as to give a reduction in hip measurement of from three to four inches and at the same time are wonderfully graceful and comfortable. The material is very strong and the boning is guaranteed unbreakable and it will never rust.

Kabo corsets can be had with either metal eyelets or with the loop and eyelets. All Kabo Corsets are guaranteed non-rustable throughout.
