Graded School Opens.

The Youngville Graded School opened for the 1912-13 session on last Monday morning, September 16th, with a large enrollment for the beginning of the year. The prospects this year for a successful year are a great deal brighter than at any time before and under the excellent management of the system its history will continue to add to the pride of our town. The faculty for this session is as follows: Principal—Prof. J. J. Best. 6th and 7th grades—Miss Ernestine Hayes. 3rd, 4th and 5th grades—Miss Gertrude Winston. 1st and 2nd grades—Miss Ella Harris. Miss Mary Timberlake is in charge of the music department.

We are requested to state that the management wishes the parents of all the students as well as any other who wishes to do so, to call at the school during the hours for teaching and see for themselves how the school is being conducted and under what influences their children are being trained. It gives them pleasure to show you and will increase the public spirit in the school.
