

# SENATOR SIMMONS WILL SPEAK IN LOUISBURG TUESDAY OF COURT WEEK

## FELT BAD ALL THE TIME

Shellhorn Lady Suffered a Great Deal, But Is All Right Now.

Shellhorn, Ala.—In a letter from this place, Mrs. Carrie May says: "A short time ago, I commenced to have weak spells and headaches. I felt bad all the time, and soon grew so bad I couldn't stay up. I thought I would die."

At last my husband got me a bottle of Cardui, and it helped me; so he got some more. After I had taken the second bottle, I was entirely well.

I wish every lady, suffering from womanly trouble, would try Cardui. It is the best medicine I know of. It did me more good than anything I ever used."

Cardui is a woman's tonic—a strengthening medicine for women, made from ingredients that act specifically on the womanly organs, and thus help to build up the womanly constitution to glowing good health.

As a remedy for woman's ills, it has a successful record of over 50 years.

Your druggist sells it. Please try it.

N. B.—Write for Ladies' Advisory Dept., Cardui Medicine Co., Cincinnati, Ohio, for detailed instructions, and 64-page book, "How to Treat the Woman," sent in plain wrapper, on request.

## REPUBLICANS' EXTRAVAGANCE

Government Cost More Than Doubled Under Roosevelt.

## DEMOCRATS' GREAT RECORD

Startling Figures Which Show That the Cost of Our National Existence and the High Cost of Living Must Be Reduced.

Under a proper downward revision of the Republican tariff schedules the people of the United States would save \$2,000,000,000 each year, or over \$100 per family on manufactured goods alone.

President Taft's vetoes of the wool tariff bill and the steel tariff measure passed by a Democratic house COST THE PEOPLE OF THE UNITED STATES ABOUT \$650,000,000 PER ANNUM.

The cost of conducting the federal government MORE THAN DOUBLED between the close of President Cleveland's second administration (Democratic) and the beginning of President Roosevelt's second administration (Republican).

As the DIRECT RESULT OF HIGH REPUBLICAN TARIFF SCHEDULES the people of the United States pay a tax FROM NINE TO SEVENTY-EIGHT PER CENT on food and ordinary household articles used in the home by every family, rich and poor.

The total cost of running the federal government in 1890 was \$35,000,000.

The amount appropriated at a single session of the Sixty-first congress for the fiscal year 1911—\$1,087,123,446.44—was more than double the amount—\$554,496,056.13—appropriated for the fiscal years 1897 and 1898 at both sessions of the Fifty-fourth congress, the last congress of the second Cleveland administration.

Only eight years elapsed between the close of the second administration of President Cleveland and the beginning of the second administration of President Roosevelt and yet the amount appropriated during the four years of the latter—\$3,842,303,577.15—was more than double that appropriated in the four years Mr. Cleveland was at the helm—viz., \$1,571,59,967.47.

For 1910, the last fiscal year provided for in congress under President Roosevelt, the highwater mark in appropriations—\$1,044,401,867.12—was reached.

President Taft's estimate to the last session of congress for government support for the fiscal year was \$1,040,648,026.55.

In other words, governmental expenses for the FOUR YEARS of President Cleveland's administration (Democratic) were only \$380,861,551.98 more than President Taft's (Republican) estimate of the amount necessary to cover the expenses of ONE YEAR of President Taft's administration.

Congressman John J. Fitzgerald of New York, a Democrat and chairman of the committee on appropriations, in addressing the house Aug. 26, 1912, on the subject of appropriations said, "Thoughtful men have watched with alarm the rapid increase in the cost of government in the United States." He further said that two causes seem responsible for many present evils:

"One, the UNFAIR AND UNJUST SYSTEM OF TAXATION by which an undue share of income by those whose circumstances in life are not considered more than reasonably comfortable is taken through our customs laws for the support of our government; the other, the difficulty or inability to readjust our system of taxation and to remove many taxes from the necessities of life, so long as the GOVERNMENT IS EXTRAVAGANTLY CONDUCTED, or the instrumentalities provided for the conduct of the public service are either inefficient or are not utilized so as to render the most effective and comprehensive results."

Mr. Fitzgerald then called attention to the fact that the Democratic party pledged itself if entrusted with power to do two things—REDUCE TARIFF DUTIES AND RETRENCH PUBLIC EXPENDITURES by eliminating waste in administration and the abolition of useless, inexcusable offices.

The Republicans talk about tariff revision, and yet when a Democratic house in fulfilling Democratic promises to the people reduced the tariff, a Republican president vetoed the measure. "By their words shall ye know them."

Democrats in every state of the Union should organize and prepare for polling a record-breaking vote Nov. 5. Be it remembered that no matter how certain victory seems, a campaign without a struggle is dangerous.

## NOAH'S

Is

Rheumatism

getting a grip on you?

Rheumatism is the most distressing and discouraging of all troubles. Nine cases out of ten can be cured by using Noah's Liniment.

Where there is no swelling or fever a few applications will relieve you.

Noah's Liniment penetrates—does not evaporate like other remedies.

Requires very little rubbing.

## LINIMENT

NOAH'S LINIMENT Relieved This Man of a Terrible Condition.

"I suffered with rheumatism in my right arm and shoulder complicated with a partial paralysis of the nerves. I tried numerous preparations with only partial relief, suffering intense pain all the time, loss of appetite, insomnia, and was reduced to a mere skeleton. Fortunately I learned of Noah's Liniment, and began its use. Although I could not raise my arm, after using a little more than a large size bottle I feel that I am completely cured and my old self again. Cannot too strongly recommend Noah's Liniment.—John P. Daly, Charleston, S. C."
