LOUISBURG, N. C., FRIDAY DECEMBER 6 1912.

NUMBER 43

HOOKWORM CAMPAIGN WELL UNDER WAY IN THIS COUNTY

The Examination and Treatment
is Free—Should Be Tried By
Everybody—Doctors En-
dorse It.

At the beginning of the fourth week of the hookworm campaign only 844 people have been examined. Of that number a high percentage of infection was found. This fact should persuade those who have been holding back to do so no longer but come to the dispensaries, hear what is to be said and have the necessary examination made. This is the last opportunity that the State and county will offer to the citizens of Franklin for free examination and treatment of hookworm disease. Do not wait till the time is past and then regret that you did not take advantage of this chance to have yourself and family examined and treated if necessary.

Only two more weeks of the campaign remain. During that time it is very much desired that the people come to the dispensaries in large numbers. Everyone can be taken care of and examined. You will then have the satisfaction of knowing whether or not you have hookworm disease.

At the dispensaries you may see hookworms, hookworm eggs under the microscope, interesting pictures and get free literature. You will be told the life history of the hookworm and what to do to keep from getting the disease. The times and places remain the same, but see the schedule for yourself on another page of this paper.

The doctors in the county and other influential citizens endorse this work. Read what they have to say.

THE HOOKWORM DISPENSARIES.
Hookworm disease is a certainty, its diagnosis is a certainty and its cure is a certainty. We request and beg all of the physicians in the county to become thoroughly interested in arousing the people of their respective communities to take advantage of the present campaign now going on in the county for the elimination of this disease. Parents see to it that your children are given the benefit of this free treatment and cure of this disease which is a handicap to all weak and feeble children.

J. E. MALONE,
Supt. of Health.
TO THE PUBLIC.

I desire to call the attention of the citizens and residents of Louisburg and of Franklin county to the campaign now being waged in this county for the eradication of hookworm disease by Dr. W. P. Jacobs. Similar campaigns have been conducted in more than half the counties of the State and the inhabitants of these have been greatly benefitted by the treatment. It is especially desirable that as many as possible come to the dispensaries during the remaining three weeks of the campaign for examination and treatment, if necessary, it costs you nothing and is absolutely free to every one.

In my opinion this campaign offers greater benefits to a greater number of people than anything of its kind ever conducted in the county. If the hookworm is suspected in your family don't stop until you have looked up the schedule of date and place nearest your home, when and where you may meet Dr. Jacobs and leave him make the necessary examination and treatment.

BEN F. HOLDEN.

Mayor.
To the people of Franklin County: I wish to call the attention of the people to the fact that we have established in the county a free dispensary for the treatment of hookworm. My dear friends this disease is very prevalent throughout the Southern States. These dispensaries are in competent hands, and I wish to urge upon you the necessity of being examined and treated if you are infected. Similar campaigns are now being conducted all over the State. Thousands of people have been cured of this terrible disease and a large percent of our people are infected. The State and county have provided a free dispensary where examination and treatment are absolutely free to all who will give a few minutes of their time. People should avail themselves of this opportunity and come to the dispensary and be examined and treated thereby being greatly benefitted.

This campaign will last only two weeks more.

Respectfully,
E. M. PERRY, M. D.

Dec 2, 1912.

I am glad to bear testimony to the

good work being done by the "Hookworm Campaign" in Franklin county. I advise unhesitatingly every one to come to the dispensaries for examination, and especially those who are in doubt as to their condition. Examination and treatment are free and the benefit to those infected can hardly be expressed in words.

Yours very truly,
S. P. RURT, M. D.

The hookworm campaign in Franklin county which is being conducted by Dr. W. P. Jacobs of the State Board of Health should appeal to every citizen in Franklin. It is known that the infection in the county is heavy and for that reason the people should present themselves for examination in large numbers. It is especially desirable also that every one learn about the sanitary privy—only by building such a privy can the disease in the country districts be controlled. Pamphlets describing in detail the construction of the privy may be had free of charge at the dispensaries.

A large number of people have been examined in more than half the counties of the State and it is to be hoped that the people of Franklin will not be backward in taking advantage of this opportunity for free examination and free treatment.

R. F. YARBOROUGH, M. D.

The hookworm campaign is being conducted in Franklin county by the State Board of Health for the benefit of the people. The examinations and treatment are free and we earnestly urge the folks to come and be examined. The dispensaries are open in Franklinton Tuesday, Dec. 3 and 10th.

Drs. HARRIS & HENDERSON,
Franklinton, N. C.

A campaign against the hookworm is being conducted in this county at present by Dr. Jacobs. This is of great importance to everyone and I wish to urge as many as possible to take advantage of the opportunity. Come to the several places announced in the paper and bring your neighbors with you. The examination and treatment is absolutely free.

H. A. NEWELL, M. D.

Grissom-Collins.

A pretty marriage was solemnized at Corinth Baptist church in Franklin county, on November 26th, when Miss Ruby Luola Collins became the bride of Mr. Charles Clyde Grissom.

The church was beautifully decorated for the occasion in green and white and yellow, and made a lovely scene in the soft glow of electric lights.

Just before the ceremony which was impressively performed by Rev. W. L. Griegs, the bride's pastor, Miss Ada Daniel, of Epsom, sweetly sang "Because." Then to the strains of Mendelssohn wedding march, played by Miss Lottie Daniel the bride party entered. The ushers, Messrs. Claud Collins and Polle Weldon, John Y. Beasley and Perry Wilson came up the aisle and took their places in front of the altar.

Then came Miss Lally Grissom with Mr. Johnnie Wilson, Miss Rilla Fuller with Mr. Dot Parnell, Miss Bula Shearin with Mr. Blair Tucker of Louisburg, and Miss Annie Garner, of Creedmore, with Mr. Norman Pinnell.

The bride prettily gowned in white messaline and lace, carrying a lovely bouquet of white chrysanthemums, entered with her sister and maid of honor, Miss Ethel Collins and met the groom at the altar, who entered at the side door with his brother, Mr. Lee Grissom.

The bridesmaids were attired in white silk and lace with black picture hats.

The bridal party left the church to the strains of Lohengrin's wedding march and repaired to the nearby home of the bride.

After receiving congratulations from their many friends, they left by auto., for Henderson where they took the train for Washington and other points.

Miss Collins is the eldest daughter of Mr. and Mrs. Edward Collins, and is a pretty and accomplished young lady. Mr. Grissom is the son of Mr. A. T. Grissom, and is highly esteemed by his many friends for his integrity and industry.

May their pathway be always bright with flowers, and their sky ever bright with the light of happiness and prosperity is the wish of their many friends.

Louisburg Water All Right.

The following report received by Dr. J. E. Malone, Superintendent of Health, from Mr. C. A. Shore, director State Laboratory, of Hygiene, at Raleigh the

EAST COURT, PANAMA-PACIFIC INTERNATIONAL EXPOSITION.

THE great East Court at the Panama-Pacific International Exposition is designed for pageantry surpassing the famous Durbur of India. It will constitute a suitable setting for oriental or modern drama upon a colossal scale. From a huge staircase or from the top of its encircling walls the visitor to this "Court of Joyousness" will be enabled to witness the pageants that will be a feature of the exposition. The main tower of the court will contain a great pipe organ, with echo organs in the smaller towers; within the center of the court will be a basin-containing groupings of classic statuary, dancing figures, fauns, satyrs and nymphs. Electric acrobats will play upon fountains at night. Tropical shrubs and flowers will contrast with the sterner effect of the colonnades, statuary and facades of the court. In its architecture the East Court, which will lie among the main group of exhibit palaces, will resemble the oriental phase of the Spanish-Moorish architecture.

past week, upon a sample taken on Thursday of last week says the city water of Louisburg is all right. The report follows:

Odor, hot—0.
Reaction—alkaline.
Chlorine (parts per million)—4.
Nitrogen as nitrates (parts per million)—0.02.
Nitrogen as nitrites—0.
Total number of bacteria at 20 degrees C. per c. c.—4000.
Total number of bacteria at 38 degrees C. per c. c.—100.
Total number of acid-forming bacteria—0.
Colon bacilli in 10 c. c.—0.
Colon bacilli in 1 c. c.—0.

C. A. SHORE, Director.

From Ingleside.

Mr. Clyde Grissom and Miss Ruby Collins were happily united in the holy bonds of wedlock, at Corinth church November 26, Rev. Mr. Gibbs officiating.

It was quite a surprise to our people on Thanksgiving morning to find this beautiful land of ours covered with snow. Mr. Hayes was greatly disappointed that day.

Right many of the neighborhood boys enjoyed a nice barbecue on Wednesday night at Ingleside.

Our school seems to be getting on very nicely as we have a large enrollment.

We are glad to state that the rumor to the effect that Mr. W. F. Davis would leave our community another year is replaced with the announcement that he has associated with him Mr. Arthur A. Parnell, one of our husky young men, and after January 1st, the business will be incorporated with a paid-in capital of \$5000.00. These are very popular young men and their success is assured.

Mr. W. Ben Edwards informs us that he will move his family to Ingleside the new year. We welcome them in our midst.

With best wishes for the Old RELIABLE and its good editor, I remain as ever your friend.

"WATCHFUL."

List of Letters.

Remaining in the postoffice at Louisburg, N. C., week ending December

Pastor Russell declared that false concepts of the Second Coming of Christ had done great injury. The view set forth in all orthodox creeds is that Christ will come again in the flesh. The resurrection will take place within twenty-four hours. The saintly will rise in the air to meet the Lord. Then fire will come down from heaven, and consume the whole earth. Premillennialists claim that Christ will reign in fleshly glory a thousand years to bless the living. The majority of Christians disown this as ridiculous nonsense because they believe little of creed or Bible. A minority perceive its inconsistency with the Bible.

What Bible Students Now See.

The "fire of that day" is symbolical, already kindling in society, the elements of which, Capital and Labor, are getting hotter. Soon they will melt, the symbolical "earth" will be consumed with the "heavens" also, the ecclesiastical powers. Their passing away will usher in a "new earth," or social order, and "new heavens," the Church in glory.

The Second Coming of Christ is associated with blessings. Messiah will abolish the curse and bring in wonderful blessings. The Day of Christ will be "the last Day,"—the great Seventh Thousand-year Day. All humanity will be blessed, including the dead who will then be awakened.

Christ Comes to Reign.

As the redemption was necessary for man's salvation so Messiah's Kingdom is necessary to accomplish restitution. The delay of more than eighteen centuries is Scripturally explained: (1) God designed Six Great One Thousand Year Days to teach mankind the exceeding sinfulness of sin. He purposed that on the Seventh Day the blessing of Messiah should come. (2) An important work has been done since Calvary. An Elect Church has been gathered out of all nations—saints made perfect through suffering, a Little Flock, the "Church of the First-born." These are to become the Bride of Christ at His Second Advent.

The Second Coming of Jesus is to claim His Bride class, and to exalt them. As regards the world, He comes to bind Satan, to overthrow sin, and to uplift fallen humanity. St. Peter tells that restitution work, not a literal burning of the world, awaits the Second Coming of Jesus. "Times of refreshing shall come from the presence of the Lord."—Acts III, 19-21.

Christ's Kingdom to Be Spiritual.

One great mistake we have all made is in not noticing that Jesus was human for only thirty-three and a half years. He was a glorious spirit being before He was made flesh; and He was resurrected to a spirit condition—higher than His original one. How foolish we were to think of Jesus as a man (a little lower than angels) in the midst of the Heavenly host. He is now partaker of the Divine nature; His Church is to be "changed" and made "like Him." As His descent was from a higher to a lower, so His ascent was from a lower nature to a higher, "far above angels." His is the exceeding glory which "no man hath seen nor can see"—"which no man can approach unto."

It is this glorious Being whose Kingdom is about to be established. He and His Church will be as invisible to men as are Satan and the fallen angels. The appearances of Jesus in the flesh after His resurrection were materializations, to prove: (1) that Jesus was no longer dead; (2) that He was changed, born of the Spirit, able to go and come like the wind.

Parousia, Epiphania, Apokalupsis.

Messiah's Kingdom will have earthly representatives—the faithful saints of previous ages, raised to human perfection instantly. Through these the invisible Messianic Kingdom will operate. Jesus said, "Ye shall see Abraham, Isaac, Jacob and all the prophets in the Kingdom."

The parousia of Jesus will come first—present but invisible. The world will continue with the ordinary affairs of life (while He is gathering the Church), as in the days of Noah.

After the gathering of the Church, there will be an epiphania and an apokalupsis of Jesus. He will shine forth. He will be revealed—not in flesh, but "in flaming fire," the trouble of that Day, in which the present order will be consumed in anarchy, giving place to the Kingdom Dispensation.

Makes Purchase.

Mr. W. F. Beasley, on last Tuesday, purchased the Mrs. Jennie C. Alston residence on Kenmore avenue and the C. E. Richardson residence on Main street.

Tobacco Market.

The local tobacco market is a lively factor in the towns activities. Every day brings good sales to town and the prices are all "up a limb." In conversation with a warehouseman recently we were informed in reference to the high prices "he had never seen anything like it in his life," and the farmers are all "very well pleased." The two coupled together shows Louisburg is the place to receive the high prices for your tobacco. Although a big lot of the weed has been sold here the prices remain strong and the demand heavy. Come here with your next load.

KING PROPERTY SOLD

TO MR. JAMES A. TURNER FOR
\$7,000.00.

Who Proposes to Divide it Into
Lots—Will be a Most Desirable
Residence Section.

Mr. J. A. Turner informs us that during the past week he has completed the details of the purchase of the King property on West Elm street—lying on both sides of the street leading from Elm street to the city power plant, for the neat sum of seven thousand dollars. In discussing the purchase and future intentions Mr. Turner said that he was going to appeal to the Board of Town Commissioners to change the street leading through this property and lay it out straight with Middle street. By doing this it will add greatly to the appearance of that portion of the town in the fact that it would do away with the present cross junction of this street. Mr. Turner proposes to move the old house that now stands on the property to one side and lay off the entire property into nice residential lots and will pave the sidewalks on both sides of the streets with a three foot concrete walk. This is now, or will be when the plans of Mr. Turner are perfected, one of the most desirable residential sections in Louisburg open to purchasers. It is well located and convenient to the business section. We congratulate Mr. Turner upon the successful purchase and hope he will succeed with his plans which will mean much to Louisburg.

Receives Appointment.

Mr. J. L. Palmer was appointed United States Commissioner by Judge Conner of the Federal Court at Raleigh the past week. Mr. Palmer qualified at once and is now active in the duties of the office.

Pneumonia Weather.

Pneumonia is a dirty-air disease. When the weather is mild and doors and windows are kept open there is little pneumonia. But with the coming of cold weather, when people shut up their houses, the pneumonia cases and deaths multiply with fearful rapidity.

Adds Kodak Supplies.

As will be seen from his advertisement in another column Mr. E. J. Macon has added to his nice and complete line of fancy groceries a full line of the best kodak supplies. He informs us he will also conduct a department for the developing—the films and plates and printing and finishing the pictures. This will be quite a convenience to our people who enjoy the sport furnished by a pocket or hand camera and his efforts will do doubt be appreciated by them.

Annual Meeting.

At the annual meeting of the stockholders of the Eastern Realty & Trust Co. held in the offices Monday evening, Dec. 2, 1912, the old directors and officers of the ensuing year were re-elected as follows: D. F. McKinnis, President; S. P. Burt, Vice-President; J. A. Turner, Secretary and Treasurer; Geo. S. Baker, Book-keeper, Miss Kate R. High, Stenographer.

The Eastern Realty & Trust Company has just passed through one of its most prosperous years. The company is composed of some of Louisburg's best and most prominent business men.

Sandy Creek Item.

Mr. Bob Ricks spent a few days in Henderson this week. Misses Nellie Perry and Myrtle Rowe, of Moulton, visited Miss Sadie Gaptan a few days ago.

Messrs. George Foster and Walter Johnson, of Nash county, spent Sunday with their parents near here.

Several of our people attended the Thanksgiving services at Centerville and reported a very pleasant time.

Rev. G. M. Duke preached his last sermon for this year at Mt. Zion last Sunday. There was quite a large crowd and all seemed to enjoy it.

The Sunday School is progressing nicely. We have a large number on roll and we think they are planning to have a Christmas tree.

There will be a "Feast and Fair" at Sandy Creek Academy Friday night, December 13th. All are cordially invited. Come and let's have a good time! The proceeds will go for the benefit of the school.

H. B.
