ABOUT THREE MILES FROM FRANKLINTON

While Auto Was Passing Wagon-Accident Considered Entirely Unavoidable - Car Smashed.

While returning to Franklinton on Wednesday morning after having been off on a trip Mr. I. B. Williams driving a five passenger Jackson automobile with Messrs. H. T. May and Ernest King, of Franklinton, as passengers, ran over and instantly killed Alfonso Williams, the three year old son of Net-tie Williams near her home on the Franklinton and Louisburg road about four hundred yards from the home of

Mr. R. O. Pinnell. A phone message of the accident was received in Louisburg about 11 o'clock and Dr. Simpson, Coroner, went immediately to the scene to investigate the circumstances and to hold an inquest if found to be necessary. Upon his arrifortunate event was entirely an un-avoidable accident and could not have been helped and occurred some what in this way. Albert Brodie, colored, was traveling towards Louisbury, driving a double team, a mule and a colt with a load of wood, the mule being scared of an automobile and the colt not. At his arrival at the home of Nettie Williams her little boy Alfonso and another little child older than he ran out in the road and swung upon the projecting end of the coupling pole at the rear end of the wagon to get a ride. Albert saw the automobile coming and turned his wagon to the left that it might pass, thus putting the scary mule to the off side from the machine as he said he always did and just as the machine started past the wagon the older one of the children jumped down and ran across the road. She was immediately followed by the younger one-he arrived in the path of the automobile so close to the machine that it was impossible to stop it, however the driver in his atturning the machine, dreve it into a tree breaking up the running board and otherwise damaging the machine so much so that it had to be hauled into the machine shops in Louisburg that evening. It was stated by all who saw the accident that the car was going at only ordinary speed and that care in its

· Should be a Warning.

The accident near Franklinton Wed eday morning, wherein a little year old boy was ran over and killed by an automobile, should be a warning to everybody to keep their children cut of the road. To say anyone would cause the secident of this kind with any de-

of the kind have not huppened around here. We frequently hear people com-plain about so many children being al-lowed to play in the streets and the roads, even in so great a number that it is impossible to pass with a horse and buggy. Some say the children are ckless that they will lie down in the road until the automobile or buggy gets almost to them. On Main street just before reaching the corporate limits of the town it is a regular practice for about fifty children to play in the middle of the street in preference to a tre mendous lot nearby. These are conditions that should be corrected. We do not mean to uphold reckless driving of automobiles, but we think until conditions of this kind are remedied no legal proceedings should be allowed before a court soainst a driver for accidents of

We repeat this should be a lesson to everybody, otherwise it is just as likely that it will be your son or daughter next.

Candler-Crowell's Opening

The spring opening of millinery and adies dress goods at Candler-Growell Co's: stere on Wednesday and Thursday was a thing of beauty. The new designs in headwear and dress fabrics for ladies presented a pretty picture as the decorations and many effects in the gray they were displayed gave evidence of exceptional taste. The opening was largely at tended by the ladies both in and out of town, and all were loud in their expressions. A glance at their advertisement each week will keep you posted

Wallace Neal Dead

On March 7th 1913 the mortal remains of Wallace Neal were laid to rest in the cemetery at Louisburg N. C, beside the father, who had gone on before when Wallace was to young to remember. The funeral services were conducted by Rev. W. B. Morton in ab sence of the pastor Rev. C. M. Duke. All earnest young men who are thinking of a life vocation are especially invited to be present.

Adds More Force.

The business of the Louisburg Machine Works is growing so rapidly that it has been necessary to add more force. The officials have succeeded in getting Mr. J. W. Jackson, of Richmond, Va., who comes to Louisburg highly recommended as an expert practical machinist. The addition of Mr. Jackson will give this company possible the strongest working force this side of Raleigh and their shop is so completely equipped with all necessary machinery that they can handle almost any kind of machine repair work of any place outside a factory.

The people of Louisburg and vicinity should show their appreciation of a plant like this and we believe they will by their continued patronage.

Revival Meeting at Methodist Church. Rev. A. D. Wilcox will begin a series of special revival meetings on the 5ti

Sunday in March. He will do the preaching, but he will be assisted in the singing and personal work by Mr. Frank Fitzgerald of New York City, Mr. Fitzgerald assisted Mr. Wilcox in his meeting last year at Central church Raleigh and his return engagement indicates the esteem in which he is held by the preacher at any rate.

Mr. Fitzgerald is a tenor singer, whe, before his conversion, was a singer in light opera. He was converted while in that business and since that time has been singing with many of the eminent evangelists of the country. He is not theatrical or classic. He is a simple, plaingespel singer and he sings only the simple favorite songs that the people love to hear. He is an earnest fine spirited man, and his singing is tender and sympathetic. He was singing in Washington shortly after the death of President McKinley, and the bereaved widow hearing of him, asked him to come to the White House and sing for her. He sang to her several

times before she left Washington.

Mr. Fritagerald will sing at the opening service of the meeting the March 30th.

Everybody is switted and unsed to attend the newtice. The meeting will probably sentions for at these was
