NIGHT OR DAY

HOWELL -- BUNN -- HUDSON, Incorporated

Justice Items.

Mr. and Mrs. J. S. Alford spent last Sunday and Monday at Bunn.

Miss Sallie Hayes, of Hayeaville, spent last Sunday with Miss Stella Hayes.

Though we have been silent for a long time, we are still alive and enjoying life very much.

Mr. Henry Bowden and Mr. L. W. Bowden and family, of Raleigh, spent last Sunday at Mr. and Mrs. J. L. Bowden's.

Mr. Langdon Stallings left Friday for Wilson, where he will enter college. We wish for him much success.

Prayer-meeting will be held at the Academy every 3rd Sunday night. We want everybody to come and help us.

The wind and rain storm last Wednesday was the worst that has been experienced here in a long time, and did considerable damage to the corn and cotton crops.

Miss Eleanor Long, the little niece of Mrs. J. S. Alford, spent a few days with her the past week. Her visit was very much enjoyed by the children.

There will be a game of ball on the Justice ground Saturday afternoon, September 20th. The Betterment Association also meets that afternoon and will serve ice-cream on the ball ground. The proceeds to be used for the benefit of the school building.

There has been much improvement around Justice lately. The school building has been painted, the roads put in good condition, and last but not least, Mr. J. C. Bowden has had the grove around his new residence on Main Street cleaned up. We can easily guess why all this has been done now. Because in a few more weeks school will begin.

With best wishes for the TIMES.
BLUE EYES.

Popes Items.

The cotton is opening rapidly and we are expecting a fine crop.

Mrs. W. A. Fuller has been spending a few days in Vance county with her parents near Kittrells.

We are sorry to learn that Mr. E. L. Moore has two children quite sick. We hope they may soon recover.

We were glad to have Mr. Wilbur Card, of Raleigh, with us Sunday. We are glad to have our old friends with us.

The opossum hunters have already commenced hunting Mr. Possum. They know the law in regard to hunting, so don't be a law breaker; if you do, you may get in trouble.

The Ladies Aid Society will meet at Popes next Saturday afternoon

This society has been organized for quite a year, but it is doing a good work, and all are invited to join with us and help the cause.

The storm of last Wednesday did considerable damage to large trees around here. Over fifty were blown down near the Cook Place on about three acres of land.

Mother of Eighteen Children.

"I am the mother of eighteen children and have the praise of doing more work than any young woman in my town," writes Mrs. C. J. Martain, Boone Mill Va. "I suffered for five years with stomach trouble and could not eat as much as a biscuit without suffering. I have taken three bottles of Chamberlain's Tablets and am now a well woman and weigh 168 pounds. I can eat anything I want to, and as much as I want and feel better than I have at any time in ten years. I refer to any one in Boone Mill or vicinity and they will vouch for what I say." Chamberlain's Tablets for sale by all dealers

Advertising Is Insurance

By HOLLAND.

AN advertisement is an insurance policy. It insures against loss through the purchase of goods of inferior quality. When you buy goods that are advertised you know you are getting the best. Makers of poor articles can't afford to advertise them. Unreliable merchants are not allowed to advertise in this paper even if advertising would be profitable to them, which is unlikely—unlikely because truth and reliability are the essence of successful advertising.

You don't take chances when you buy advertised goods, because if by any chance there should be anything wrong with the goods there is the reputation of merchant and manufacturer back of them, and any article that is not up to the advertised specifications will be replaced.

DON'T TAKE CHANCES. BUY ADVERTISED GOODS.

Despondency.

Is often caused by indigestion and constipation, and quickly disappears when Chamberlain's Tablets are taken. For sale by all dealers.

Malaria or Chills & Fever

Prescription No. 666 is prepared especially for MALARIA or CHILLS & FEVER. Five or six doses will break any case, and if taken then with tonic the fever will not return. It acts on the liver better than Calomel and does not grip or sicken. 25c

Parents and Teachers

Stop!
Listen!
Consider!

Don't throw away what you have and that which you can't replace.

Of the 8,700 school children in Franklin county, about three-fifths or 5,220 have defective vision. Without properly fitted glasses they will not only suffer from eye strain, headaches and the like, but will hardly be able to make their grades.

I give special attention to the eyes of school children.
