How to Treat your Town.

Praise it.
Improve it.
Talk about it.
Trade at home.
Be public spirited.
Take a home pride in it.
Tell of its business men.
Remember it is your home.
Tell of its natural advantages.
Trade and induce others to trade here.
When strangers come to town use them well.
Don't call your best citizens frauds and imposters.
Support your local institutions that benefit your town.
Look ahead of self when all the town is to be considered.
Help your public officers do the most good for the most people.
Don't forget you live off the people here, and you should help others as they help you.
Don't advertise in the local paper "to help the editor," but advertise to help yourself.

Cheap Paint

There are 1000 "cheap" paints and a dozen really cheap ones.
That double word "cheap" is the cause of wasting more money than good paint costs, two or three times over.
Cheap paint is good paint; there is no other; no other is cheap.
The two words sound alike but their meanings are opposite. "Cheap" costs double. Cheap is Devoe.

McKinne Bros. Co. DEVOE sells it.
