William McKinley
said:
"Show me the young man with a bank account... no matter how small... and I will show you the making of a useful citizen & an honorable career."

Our Martyred President's BIRTHDAY

Brings to mind the possibilities that confront the young man of today.

His advice, always sound and freely given, to young men, will live for ages, and have a marked influence on each succeeding rising generation.

McKinley was not a miser--he lived and enjoyed life--but he always made it a point to put a little aside for the future. He attributed his success in life to this early determination to save.

SAVE and PAVE the WAY to HAPPINESS

Thomas Carlisle once said,

"Happiness means contentment, and contentment is due to having enough coin of the realm laid aside to insure ammunition and arms when the wolf knocks at your door." Ever stop to think of that--"When the wolf knocks?"

Isn't it time to stop and consider the future now--what it shall be for you and yours? This bank extends the open right hand to you. It will lend every assistance to insure happiness for them, and contentment for you.

THIS BANK WILL HELP YOU OUT

Depositors in this bank are secure in the assurance that any time they may require financial help to bridge over temporary embarrassment, it awaits them here, so long as it is within the bounds of reason and does not conflict with our rules of safe and conservative business.

It is this fact that should impress itself upon the young man just about to begin his business career, and cause him to first of all start a savings account--here. Come to the bank today and consult us freely on any proposition you may have in mind.

We Can Help You

When your money is deposited in this bank it is just as safe as though a regiment of soldiers was constantly on duty guarding our portals

Why?--Because this is a National Bank with every transaction thoroughly inspected by government bank examiners who require a detailed report of our business made public at regular intervals. Deposit your savings here and reap the benefit of our broad business associations.

YOU'LL FIND NOTHING "UPPISH" ABOUT THIS BANK.

Its ways are as open, as its business methods are safe and straight. You'll require no pass words or "red tape" to give you an audience for consultation on any subject concerning affairs of trust, or investment. Our doors are open to you at all times, and the invitation to
