

## FAMILY AVOIDS SERIOUS SICKNESS

By Being Constantly Supplied With  
Theford's Black-Draught.

McDuff, Va.—"I suffered for several years," says Mrs. J. B. Whittaker, of this place, "with sick headache, and stomach trouble."

Ten years ago a friend told me to try Theford's Black-Draught, which I did, and I found it to be the best family medicine for young and old.

I keep Black-Draught on hand all the time now, and when my children feel a little bad, they ask me for a dose, and it does them more good than any medicine they ever tried.

We never have a long spell of sickness in our family, since we commenced using Black-Draught."

Theford's Black-Draught is purely vegetable, and has been found to regulate weak stomachs, aid digestion, relieve indigestion, colic, wind, nausea, headache, sick stomach, and similar symptoms.

It has been in constant use for more than 70 years, and has benefited more than a million people.

Your druggist sells and recommends Black-Draught. Price only 25c. Get a package to-day.

## PERUNA

No other remedy ever offered the American people has more friends after two generations of success; no other remedy is more generally used in the homes of the people; no other has been so enthusiastically endorsed by the thousands.

The reason is found in real merit. For coughs, colds, catarrh, whether local or systemic, and general debility following any of the above Peruna will be found effective, reliable and safe. For irregular appetite, impaired digestion and run-down system it is an invaluable tonic.

Peruna may be obtained in tablet form for convenience.

## IF THE G. O. P. ELEPHANT COULD SPEAK THE TRUTH

Voters of the U. S. A.—

We, the Republican party, being at our wits' end and desperate, put it up to you:

For nearly four years now a Democratic administration has been in power. Contrary to every law of reason, every principle of progress, the country is at peace and alive—nay, humming with prosperity. Business is rushing. Wages are high. The only discontent is the discontent of those who are reaching for bigger chunks of plenty.

We are flabbergasted. All this has happened during a period when the rest of the world has been agog, when international crises were impending on all sides, when we would have sworn only Republican statesmanship could pull the nation through.

No war has engulfed us. No panic has paralyzed us. No nation has with impunity continued to infringe upon our rights.

We can't deny what has been done. All we can do is take our oath we could have done it better. How we do not know. If only we said it loud and long enough we hoped the country would believe us.

But the country is busy, and our voices grow hoarse. We are having a hard time.

Woodrow Wilson has nothing to show us but what he has accomplished. He has none of the glamour of the what-might-be. We, on the contrary, have our old promises and policies, mellowed by age, but still bearing the stamp of the nation's solid interests. Protection, privilege, government by influence—surely the country has not given them their last trial.

Wall street is with us. Big business is with us. But, oh, voters, we confess it, we need you. Don't keep looking at the peace and prosperity around you. Try to get our point of view. Whatever Wilson has done, the man is a Democrat, and neither federal government nor federal offices were meant to be forever in such hands.

Let's forget issues and talk as friends. Turn him out and give us a chance.
