ELECTION TUESDAY.

The election Tuesday in Franklin County was one of the quietest held here in many years with as much interest as was involved. On another page we publish a tabulated vote of the entire county which will give to you such detailed information as you should desire. From it will be noticed that in the future Franklin County officers will be placed on salaries and that the Treasurer's office has been abolished. The County has polled the largest vote in many years and the normal republican strength has been weakened, which is very creditable to our citizenship. Many of our citizens have done a great deal of effective work, but we feel that Mr. H. A. Kearney and Chairman J. R. Collie are due especially mention for their untiring efforts in rolling up such a large vote.

PRESIDENT WILSON RE-ELECTED. 30

(Contined from First Page) Mr. McCormiek conferred with John B. Stanchfield and Delancy Nicolt, significance. Late in the afternoon prominent Democratic lawyers.

The returns from North Dakota wer in doubt at 10 o'clock tonight.

President Wilson had taken lead in California and continued to lead in Minnesota though his advantage was decreased precipitately from more than 10,000 to 300 with 800 precincts missing.

This still left the result m doubt. Without these three states President Wilson would have 251 votes and with them he would have 281.

Without them, Charles Evans Hughes would have 242 votes and with them he would have 272. These figures presume there will be no other caanges in the states, as previously accre-

Indiana, with fifteen votes and Detaware with three, seemed for Hughes at that hour but would only bring his vote in the college up to 230. Thus Mr. Hughes would need both California and Minnesota, still leaving him eleven votes, lacking, of the necessary majority. These would have to come from New Hampshire, West Virginia Oregon and New Mexico, which have a total of 20 electors.

In Minnesota, however, the Wilson lead of more than 10,000 earlier in the day had been reduced by night fall to about 6,000 but in California the President had taken the lead and with four-fifths of the voting districts counted was 1,438 votes ahead_

West Virginia, already accounted in the Hughes column, had become close and with a little more than half its districts heard from was still giving Hughes a lead of about 2,000.

At 9:30 o'clock tonight Idano, Kansas, Washington and Wyoming although incomplete still were leaning to President Wilson's column.

New Hampshire was accredited by the Secretary of State to Hughes by the narrow margin of 161 votes but was claimed by the Democrats.

The visit of Attorney General Gregory to Democratic headquarters today had no connection with this phase of the national committee's activities, Mr. McCormick said. He refused to comment on the possibility of demanding a recount in stateswhere the result is very close.

"It is too early for that," he said. The Democratic chairman annous ced that United States marshals were watching to see that there were no violation of the law in states where the result is close.

The possibility of an official count being necessary in states where the margin of apparent victory for one or the other is slight, was freely discussed at both headquarters. It was pointed out that if the House of Renresentatives became the court of last resort in the election of a President the present House and not the one elected yesterday would sit in judgment.

No formal statements on the subject of a recount were made by either side, however.

Apparently the rank and file of Wilson adherents who had no opportunity to celebrate last night were determined to make up tonight for what they had missed. A crowd of such proportions that it blocked traffic for blocks in Forty-second street gathered in front of Democratic headquarters. Two bands joined forces in daying the "Star Spangled Banner." The crowd announced its intention of parading all over the city.

Prominent State Attorney Bares Fact in Case

C. C. BROUGHTON, BROTHER TO ONE OF NORTH CAROLINA'S DISTINGUISHED SON'S TELLS WHY HE'S

FOR IT.

Few sons of this grand State have won greater distinction for themsel ves and North Carolina than Dr Len G. Broughton, Baptist Minster o International reputation. And not all men of Troy, N. C., are held in higher esteem than Attorney C. C. Broughton, brother to the famed Rev Broughton.

Then, when Attorney Broughton says: "I feel altogther a different man since taking Tanlac and heartily recommend it to all my friends and to those who suffer as I was, for it is a great tonic," there can be no doubt as to the really wonderful reconstructive powers of Tanlac.

"Since taking Tanlac," the popular lawyer continued, "indigestion has left me, sleep issweet and good-I can sleep like a dead man nowand my appetite is out of sight. I will continue to take Tanlac for, to my mind there is not a single portion of the body that is not benefited by its helpful work.

"Tanlac begins its action by stimulating digestive organs, enriching the blood and invigorating the whole body. In other words, it relieves troubles by removing the cause. Tanlac, to my mind, is a powerful reconstructive tonic and contains certain ingredients which purify the blood and renovate the whole system. And next it enables the stomach to dioroughly digest food, allowing the as similable products to be converted into blood, bone and muscle. By increasing the power of endurance it enables those who use Tanlac to better encounter fatigue, exposure and overwork."

Tanlac is sold in Louisburg by Scoggin-Egerton Drug Co.; Franklinton, T. C. Joyner; Youngsville, Winston-Blanks Drug Co.; Wendell, Wendell Drug Co.; Wake Forest, T. E. Holding & Co.; Henderson, W. W. School Column.

1. The School Column will be published each week for the next five months. Notices and general school information will be given to teachers, school trustees attendance officers and members of betterment associations; we ask these particularly to read the Column each week. The Column is open for school news from any district in the county and we hope that the teachers will take advantage of this opportunity of letting the people in other districts know of any unusual and successful work that may be accomplishing in your school, or in the community. The school trustees, members of betterment work and any person interested in the success of our schools are also cordially invited to contribute news for this column. We hope that every father and mother in the county will read the school news each week; it will give to them a clearer idea of the work that the schools are attempting. All items will please be sent in on Saturday as the Column will be prepared on Mon-

day. 2. All the five month schools open today; this means that all the schools in the county are again at work.

3. The teachers will please read the "Desk Book" and follow the prescribed course of study. If a teacher decides that some change is best discuss the matter with your superintendent and change will be considered for the next year's work.

4. Write me and enclose a twocent stamp if you have not been supplied with report blanks and contract blanks and I will send them to you. 6. We have received orders from Bunn and Red Bud for libraries. We hope that every school district in the county that has not yet secured a 11brary will do so this year.

7. Our first teachers' meeting last Saturday was a great success; every teacher in the county except three was present. The teachers are showing their keen interest in the work by their hearty cooperation; we are trying to meet the demands and vital needs of each teacher. After the general session the teachers divide themselves into dour sections and each section works out its own definite problems.
