TAKE THE RIGHT KIND OF IRON

Urges Use of Non-Alcoholic Natural Iron as Tonic. Doesn't Hurt Kidneys.

The main danger in treating the blood and system for uric acid and rheumatic complaints, lies in the excessive use of alcohol, which apparently must be used by the chemist to hold together the various medicinal elements found in the ordinary "patent" medicine referred to.

Iron alone disturbs digestion, causes constipation and is very injurious to teeth, but alcohol only increases the appetite for the moment and the last excuse for its presence is banished by the discovery of Acid Iron Mineral, a natural medicinal iron mineral which contains three forms of iron together with calcium, sodium, potassium, magnesium, and sulphuric acid all of which are valuable and non-detrimental to the stomach, kidneys, bladder nerves and blood.

Acid Iron Mineral is highly concentrated, non-alcoholic and economical and goes from two to ten times as far as other and weaker iron remedies. It is just a pure, powerful, medicinal iron for weak, nervous, rheumatic rundown people. Results from its use are wonderful.

All druggists have Acid Iron Mineral (natural iron). A half teaspoonful in a glass of water is a dose. Get a fifty cent or dollar size bottle and note how it improves the family's digestion, appetite and strength. It helps sluggish, impure blood and the iron drives out uric acid and other poisons so apt to cause rheumatic and kindred complaints. As a tonic for Spring it is unequalled. It paints the cheeks, brightens up the eyes, and puts the "stay-there" in the blood and nerves. If overworked, run down and in need of a system tonic, blood purifier and appetite maker get A-I-M of the nearest drug store today. Large bottle sent prepaid anywhere on receipt of \$1 by Ferrodine Chemical Corp., Roanoke, Va., U. S. A.

One hour of the present is worth two in the future and a hundred in the past.

Knight, Wilmington, N. C. Chamberlain's Tablets are mild and gentle in their action. Give them a trial. You are certain to be pleased with the agreeable laxative effect which they produce. OBTAINABLE EVERYWHERE.

If your little one's tongue is coated, it is a sure sign the stomach, liver and bowels need a gentle, thorough cleansing at once. When your child is cross, peevish, listless, pale, doesn't sleep, eat or act naturally; if breath is bad, stomach sour, system full of cold, throat sore, or if feverish, give a teaspoonful of "California Syrup of Figs," and in a few hours all the clogged-up, constipated waste, sour bill and undigested food will gently move out of the bowels, and you have a well playful child again.

Sick children needn't be coaxed to take this harmless "fruit laxative." Millions of mothers keep it handy because they know its action on the stomach, liver and bowels is prompt and sure. They also know a little given today saves a sick child tomorrow.

Bowel Complaints in India.

In a lecture at one of the Des Moines Iowa, churches a missionary from India told of going into the interior of India, where he was taken sick, that he had a bottle of Chamberlain's Colic Cholera and Diarrhoea Remedy with him and believed that it saved his life.
