MRS. PHILLIPS TAKES IRON IF BLOOD IS BAD

Suffered two years with Pellagra, couldn't walk about the house. Iron built her up. Tells what kind of iron to take

Everyone's energy, vitality and general good health depends so much upon the condition of their blood and the normal functioning of the vital organs of the stomach, kidneys, liver, and bowels, the slightest irregularity should be corrected immediately.
 Anyone troubled with their blood, for instance, is sure sooner or later experience uric acid pains, weak, lame back; lost strength, nervousness; headaches; dizzy spells, or some other kindred symptoms, and iron has become so well known as the best remedy everybody should use it. The question is in what form? Iron is put up by chemists in pills, liquid solutions, and mixed with all sorts of elements including in some cases altogether too much alcohol for the good of the system.
 The cheapest, strongest, most efficient remedy is plain, natural iron, highly concentrated, and bottled just as nature intended it should be taken. It is Acid Iron Mineral, is sold by druggists in fifty-cent and dollar bottles. It goes from two to six times as far. It will help the digestion, stomach, kidneys, and blood. If the bowels are inactive a good liver pill like the A-I-M Liver Pill at 25c for a generous size box is recommended. People with normal bowels should not use iron in combination with laxative. Altogether too many remedies contain purgatives.

To indicate how quickly Acid Iron Mineral will cleanse the blood and tone up the general system and renew the wasted strength of the system. Mrs. N. E. Phillips of Kernshaw, S. C. is quoted below:
 "I began to be troubled with my bowels, stomach and blood a little

over two years ago. It finally turned into pellagra and at the end of that two years suffering I couldn't even walk about the house. Mrs. Ella Hunter suggested I take Acid Iron Mineral and after taking it six weeks and using but four small bottles, I am up and about doing my work and gaining in strength every day. It has done me more good than anything I have ever tried and am glad indeed to recommend it to anyone who needs a good tonic or for pellagra or stomach trouble.

A teaspoonful of Acid Iron Mineral in a glass of drinking water after meals makes an unusual, powerful, economical and delightfully invigorating tonic, appetizer, blood and kidney remedy.
 A large bottle if druggist hasn't it will be sent prepaid on receipt of price by the Ferrrodine Chemical Corp. Roanoke, Va.

"I fear that I have enlargement of the heart."
 "Cheer up; you could stand something of an addition."

LIFT YOUR CORNS OFF WITH FINGERS

Tells how to loosen a tender corn or callus so it lifts out without pain. You reckless men and women who are pestered with corns and who have at least once a week invited an awful death from lockjaw or blood poison are now told by a Chicanatt authority to use a drug called freezezone, which the moment a few freezes are applied to any corn or callus the soreness is relieved and soon the entire corn or callus, root and all, lifts off with the fingers.

Freezone does the moment it is applied, and simply shrivels the corn or callus without inflaming the corn or irritating the surrounding tissue or skin. A small bottle of freezezone will cost very little at any of the drug stores, but will positively rid one's feet of every hard or soft corn or hardened callus. If your druggist hasn't any freezezone he can get it at any wholesale drug house for you.

LOOK AT A CHILD'S TONGUE WHEN CROSS, FEVEISH AND SICK

Take no chances! Move poisons from liver and bowels at once

Mothers can rest easy after giving "California Syrup of Figs," because in a few hours all the clogged up waste, sour bile and fermenting food gently moves out of the bowels, and you have a well, playful child again. Children simply will not take the time from play to empty their bowels, and they become tightly packed, liver gets sluggish and stomach disordered.
 When cross, feverish, restless, see if tongue is coated, then give this delicious "Laxative." Children love it, and it can't cause injury. No difference what ails your little one— if full of cold or a sore throat, diarrhoea, stomachache, bad breath, remember a gentle "inside cleansing" should always be the first treatment given. Full directions for babies, children of all ages and grown-ups are printed on each bottle.
 Beware of counterfeit fig syrups. Ask your druggist for a bottle of "California Syrup of Figs," then look carefully and see that it is made by the "California Fig Syrup Company." We make but one size. Hand back with contempt any other fig syrup.
