Cleaning and Pressing Done in Rear of Our Store

Certain bilious gentlemen of this town are reported to be greatly exercised over the report that this country is to send a large number of "tanks" to France.

It is estimated that your Uncle Samuel's total resources are 250 billions of dollars, and his debts three and one-half billions. As another pointedly remark, "we haven't begun to fight yet."

The country will wait with interest to see if the "dryness" of the Nation's Capital will have any effect on the quality of the oratory in Congress.

It grew into a sheep,
And now, to Mary's great delight,
It's worth ten times its keep.

CONSTIPATION

And Sour Stomach Caused This Lady Much Suffering. Black-Draught Relieved.

Meadorsville, Ky.—Mrs. Pearl Patrick, of this place, writes: "I was very constipated. I had sour stomach and was so uncomfortable. I went to the doctor. He gave me some pills. They weakened me and seemed to tear up my digestion. They would gripe me and afterwards it seemed I was more constipated than before."

I heard of Black-Draught and decided to try it. I found it just what I needed. It was an easy laxative, and not bad to swallow. My digestion soon improved. I got well of the sour stomach, my bowels soon seemed normal, no more griping, and I would take a dose now and then, and was in good shape.

I cannot say too much for Black-Draught for it is the finest laxative one can use."

Thedford's Black-Draught has for many years been found of great value in the treatment of stomach, liver and bowel troubles. Easy to take, gentle and reliable in its action, leaving no bad after-effects, it has won the praise of thousands of people who have used it. —NC-135

AN OLD MAN'S STOMACH.

As we grow older and less active, less and less food is required to meet the demands of our bodies. If too much is habitually taken, the stomach will rebel. When a man reaches the advanced age of 50 or 60, you will find that he is a light eater. Be as careful as you will, however, you will occasionally eat more than you should and will feel the need of Chamberlain's Tablets to correct the disorder. These tablets do not contain poison, but strengthen the stomach and enable it to perform its functions naturally. They also cause a gentle movement of the bowels.
