**FIRE INSURANCE.**  
When you want insurance take it  
with T. W. WATSON. He knows  
how. 7-21-17.

The farmer who in these times  
would feed wheat to hogs, is an alto-  
gether new specimen of animal that  
we not as yet classified. Of all  
the utterly incomprehensible beings  
that this war has brought to public  
notice, he is easily the limit. If not  
an avowed friend of the Kaiser, he  
must be simply an animal in the form  
of a man, with a gizzard where there  
should be a heart.

garments a pleasure to wear.  
This is a Louisburg enter-

**A BILIOUS ATTACK**  
When you have a bilious attack  
your liver fails to perform its func-  
tions. You become constipated. The  
food you eat ferments in your stom-  
ach instead of digesting it. This in-  
flames the stomach and causes vom-  
iting and a terrible headache. Take  
Chamberlain's Tablets. They will tone  
up your liver, clean out your stomach  
and you will soon be as well as ever.  
They only cost you a quarter.

**WHEN YOU HAVE A COLD**  
It is when you have a severe cold  
that you appreciate the good qualities  
of Chamberlain's Cough Remedy. Mrs.  
Frank Crocker, Pana, Ill., writes: "Our  
five-year old son Paul caught a severe  
cold last winter that settled on his  
lungs and he had terrible coughing  
spells. We were greatly worried about  
him as the medicine we gave him did  
not help him in the least. A neighbor  
spoke so highly of Chamberlain's  
Cough Remedy that I got a bottle of it.  
The first dose benefited him so much  
that continued giving it to him until he  
was cured."

**FEDERAL INCOME  
TAX IN BRIEF**

The Requirements Bolled Down  
for Busy Folks.

Returns must be filed on or before  
April 1, 1918.

Tax due may be paid now or on or  
before June 15, 1918.

If you are single and your net in-  
come for 1917 was \$1,000 or more you  
must file a return.

If you were married and living with  
wife (or husband) and had a net in-  
come of \$2,000 or more for 1917 you  
must file a return.

Husband's and wife's income must  
be considered jointly, plus income of  
minor children.

Income of a minor or incompetent,  
derived from a separate estate, must  
be reported by his legal representa-  
tive.

Severe penalties are provided for  
those who neglect or evade the law.

For false or fraudulent return there  
is a penalty not exceeding \$2,000 fine  
or year's imprisonment, or both, plus  
100 per cent. of tax.

For failure to make return on or  
before April 1, 1918, fine is from \$20  
to \$1,000, plus 50 per cent. of tax due.

Returns must be filed with the Col-  
lector of Internal Revenue of district  
in which you live.

An agent may file return for a per-  
son who is ill, absent from the country  
or otherwise incapacitated.

Each return must be signed and  
sworn or affirmed by person execut-  
ing it.

Single persons are allowed \$1,000  
exemption in computing normal tax.

A married person living with wife  
(or husband) is allowed \$2,000 exemp-  
tion, plus \$200 for each dependent  
child under 18.

A head of family, though single, is  
allowed \$2,000 exemption if actually  
supporting one or more relatives.

Returns must show the entire  
amount of earnings, gains and profits  
received during the year.

Officials and employees are not tax-  
able on the salaries or wages received  
from a state, county, city or town in  
the United States.

Interest on state and municipal  
bonds issued within the U. S. is ex-  
empt from federal income tax and  
should be omitted.

Interest on United States govern-  
ment bonds is also exempt, except on  
individual holdings of Liberty Bonds in  
excess of \$5,000 par value.

Dividends are not subject to normal  
tax, but must be reported and included  
in net income.

Gifts and legacies are not income  
and should not be included on the re-  
turn of the beneficiary.

Life insurance received as a bene-  
ficiary or as premiums paid back at  
maturity or surrender of policy is not  
income.

Payments received for real or per-  
sonal property sold is not income, but  
the profit realized thereon is income  
for the year of sale.

Amounts received in payment of  
notes or mortgages is not income, but  
the interest on such notes or mort-  
gages is taxable income.

From the entire gross income cer-  
tain allowances are made in arriving  
at the net income.

Necessary expenses actually paid in  
the conduct of business, trade or pro-  
fession may be claimed.

A farmer can claim payments for  
labor, seed, fertilizer, stock feed, re-  
pairs on buildings, except his dwelling;  
repairs of fences and farm machinery,  
materials and small tools for immedi-  
ate use.

The amount of rent paid for a farm  
may also be claimed as a tenant farm-  
er's expense.

Payments for live stock are allow-  
able if bought for resale. But if bought  
for breeding purposes cattle are an in-  
vestment, not an expense, and cannot  
be allowed.

A storekeeper can claim amounts  
paid for advertising, clerk hire, tele-  
phone, water, light and fuel, also dray-  
age and freight bills and cost of op-  
erating and repairing wagons and  
trucks.

A physician can claim cost of his  
professional supplies, rent, office help,  
telephone, expense of team or automo-  
bile used in making professional calls  
and expenses attending medical con-  
ventions.

Except team or auto expense, which  
are not necessary in his profession,  
expenses that are personal or con-  
nected in any way with the support or  
well being of a person or family are  
not allowable.

The costs of machines, instruments,  
vehicles or implements that are more  
or less permanent in character are not  
allowable as an expense. They are in-  
vestments.

Interest paid on a mortgage or other  
personal indebtedness is allowable on  
a personal return.

All taxes paid within the year can  
be taken out on a federal return, ex-  
cept federal income taxes, inheritance  
taxes and assessments for local im-  
provements.

Losses sustained in business or  
through fire, storm or shipwreck can  
be deducted, except when compensated by  
insurance or otherwise.

Wear and tear of rental buildings or  
machinery used in business may be  
claimed.

You can also claim the amount paid  
to the Red Cross and other similar  
organizations for the purpose of con-  
tributing to the relief of the victims of  
your war.

**LIKE AN ELECTRIC BUTTON ON  
TOES**

Tells why a corn is so painful and  
says cutting makes them grow.  
Press an electric button and you  
form a contact with a live wire which  
rings the bell. When your shoes press  
against your corn it pushes its sharp  
roots down upon a sensitive nerve  
and you get a shock of pain.

Instead of trimming your corns,  
which merely makes them grow, just  
step into any drug store and ask for  
a quarter of an ounce of freezone. This  
will cost very little but is sufficient  
to remove every hard or soft corn or  
callus from one's feet. A few drops  
applied directly upon a tender, ach-  
ing corn stops the soreness instantly,  
and soon the corn shrivels up so it  
lifts right out, root and all, without  
pain. The drug called freezone is  
harmless and never inflames or even  
irritates the surrounding skin.

**LOUISBURG DEFEATS CEDAR  
ROCK**

On Wednesday, March 13th the  
Louisburg High School basketball team  
defeated the Cedar Rock team  
18-2. The game was played on the  
Louisburg court. The game was a tight  
one for about ten minutes, and after  
that the Louisburg boys began to shoot  
the goal. The first half ended with  
the score 6-0. The second half was  
played much faster than the first. At  
the end of the game the score was  
18-2. A few Cedar Rock and several  
Louisburg people witnessed the game.

Figuring it right down to the last  
analysis, it's up to the people of this  
country to decide which they love  
most, their boys or their stomachs.  
One or the other must be denied  
Which?

Rheumatism was strongly entrench-  
ed in the joints and muscles of  
Judge H. G. Huntly. Less than one  
bottle of L-Rheumo took the kinks  
out and put the enemy to flight, and  
no return of the trouble. The Judges  
letter:

Morven, N. C. 7.16-1916.  
Chapman-Alexander Laboratories,  
Greenville, S. C.

Gentlemen:  
After suffering from Rheumatism  
for about two years, I was advised to  
try your remedy (L-Rheumo), after  
having taken it for a few days I was  
entirely relieved of pain and feel that  
I am well, but still have almost one-  
half the bottle left. It has been over  
a year and no return of the trouble  
as yet.

Yours truly,
