GREEN'S AUGUST FLOWER has been a household remedy for over the civilized world for more than half a century for constipation, intestinal troubles, torpid liver and the generally depressed feeling that accompanies such disorders. It is a most valuable remedy for indigestion or nervous dyspepsia and liver trouble, bringing on headache, coming up of food palpitation of heart, and many other symptoms. A few doses of August Flower will relieve you. It is a gentle laxative. Sold by Aycock Drug Co. 30 and 90c. bottles.

The Quinine That Does Not Affect the Head Because of its tonic and laxative effect, LAXATIVE BROMO QUININE is better than ordinary Quinine and does not cause nervousness nor ringing in head. Remember the full name and look for the signature of E. W. GROVE. 3c.

Whenever You Need a General Tonic Take Grove's.

The Old Standard Grove's Tasteless Chill Tonic is equally valuable as a General Tonic because it contains the well known tonic properties of QUININE and IRON. It acts on the Liver, Drives out Malaria, Enriches the Blood and Builds up the Whole System. 60 cents.

A Chicago man is reported to have paid \$10,000 for a pig. That's nothing astonishing. There are any number of hogs that have cost this country many times that amount each. And they can't be used for pork, either. They're just hogs, without any redeeming traits whatever.

"A SPLENDID TONIC"

Says Hixson Lady Who, On Doctor's Advice, Took Cardui And Is Now Well.

Hixson, Tenn.—"About 10 years ago I was..." says Mrs. J. B. Gadd, of this place. "I suffered with a pain in my left side, could not sleep at night with this pain, always in the left side...  
My doctor told me to use Cardui. I took one bottle, which helped me and after my baby came, I was stronger and better, but the pain was still there.  
I at first let it go, but began to get weak and in a run-down condition, so I decided to try some more Cardui, which I did.  
This last Cardui which I took made me much better, in fact, cured me. It has been a number of years, still I have no return of this trouble.  
I feel it was Cardui that cured me and I recommend it as a splendid female tonic."  
Don't allow yourself to become weak and run-down from womanly troubles. Take Cardui. It should surely help you, as it has so many thousands of other women in the past 4 years. Headache, backache, subsiding nervousness, sleeplessness, tired-out feeling, are all signs of womanly trouble. Other women get relief by taking Cardui. Why not you? All druggists.

Mr. Bryan is doubtless inclined to amend the old proverb that the prophet is not without honor save in his own country. He has recently been in another country.

It is so long a time since we have had our eye on Uncle Carranza that the old gink may be up to all sorts of devilment down there.  
Not "Bit" but utmost—the end is worth our All.

NOT A LIVING CHILD UNDER 8 IN POLAND

ALL HAVE SUCCEEDED TO STABILIZATION, WHICH WE COULD HAVE ALLEVIATED.

CRYING FOR BREAD WE WASTE

Editor Clarence Poe Sets Forth Need of Informing Our Rural Population of True Conditions.

(Clarence Poe in Progressive Farmer) She was a good woman and she talked much about how good the Lord had been to her and to her children.

But at the same time she said: "No meatless and wheatless days for me! I've got wheat enough and I've got meat enough laid up in my pantry, and my children like it, and they are going to have it as often as they want it, and as much of it as they want."  
After hearing this well-meaning woman talk the writer picked up that night a European paper that comes to the home and read this paragraph:

It is said that there is not a living child in Poland under eight years of age.

"Not a living child in Poland under eight years of age!" With little bodies unable to endure the hardships and starvation of a war-ravaged land, they have died by thousands and tens of thousands. Thousands and tens of thousands of mothers as good as the woman who made this thoughtless remark, mothers who loved their children as much as this mother loved hers—they with heart-breaking helplessness have seen their children slowly starve before their eyes, while American mothers say: "No, I will not even vary my diet in a harmless way. I will not even make substitutions to save meat and wheat, in order that part of it may save the lives of starving babies and little ones in Europe!"

No, we don't mean that any American mother is saying this in words. Certainly the good woman of whom we write would not have said it or thought it—and yet by her acts, that was what she was saying. If someone could have shown her a photograph of one starving Polish child, with wan, pinched face and hollow eyes, crying to its mother for bread she did not have—oh, how quickly this American mother would have said: "Yes, I have plenty of meat, and I'll gladly divide my last crust to save the lives of little ones like that!" With such a picture before her eyes, how quickly would this American mother have called to mind the Last Judgment's awful curse on all the uncaring and hard of heart, "I was an-hungered and ye gave me no meat!"

But she didn't know. And thus again the Lord she tries to worship might lament as of old over His people, "Israel doth not know! my people doth not consider!" To this good woman the Hoover rules for meatless days and wheatless days were simply Government regulations—simply official red tape. She didn't know they were meant to save the lives of little ones once as fair, as merry, as bright-eyed, as love-inspiring as her own dear boys and girls!

And today there are thousands of others like this mother who do not know! Well-intentioned people, good-hearted people, God-fearing people! But they simply "do not know."

Friends and readers, it is our duty to help these people know! Let us give of our money, but let us also give of our time and effort for a campaign of education in these matters to show the need of food regulation, War Savings Stamps, Liberty Bonds, Red Cross work, Y. M. C. A. and Y. W. C. A. campaigns! We must save food for the starving; we must give money to protect the wounded and to provide wholesome moral recreation for our soldiers instead of unwholesome and immoral dissipation. And if our farmers—as is so often charged—have not supported these movements as they should, it is not because they are more selfish, more hard-hearted, less patriotic, than city people. It is only because they have not been informed. And all of us who do really understand must here and now resolve to help inform them. In every school in every Sunday school, in every farmers' club, in every farm woman's club, and even as a part of almost every church service, our men and women of light and leading must do their part to arouse rural America. In the Revolutionary war it was the "embattled farmers" at Lexington who "fired the shot heard around the world!" In the Civil War it was the stubborn courage of our farm men and the steadfastness of our country women that won the world's applause for Confederate heroism!

Because this war is a little farther from our doors is no reason why we should play a less noble part. And there is little time to lose. Many people think that twelve months hence peace will be in sight. Let us resolve therefore that during the coming year our rural people in every county will make a record of patriotism that our sons and grandsons will mention with pride even as we take pride in the exploits of our ancestors of the 60's. What we do in the next twelve months will fix our place in history.

22 Million Families in the United States  
4 CUPS OF WHEAT FLOUR TO THE POUND  
If each family used 4 cups of flour less per week, the saving would be 22 million pounds or 112,244 barrels every week.  
The greatest help housekeepers can give to win the war is to make this saving and it can be done by using this recipe in place of white flour bread.  
Corn Meal Biscuits  
1/2 cup scalded milk  
1 cup corn meal  
1/2 teaspoon salt  
1 cup white flour  
Save 1/2 cup of the measured flour for board. Pour milk over corn meal, add shortening and salt. When cold, add sifted flour and baking powder. Roll out lightly on floured board. Cut with biscuit cutter and bake in greased pan fifteen to twenty minutes.

LEMONS WHITEN AND BEAUTIFY THE SKIN  
Make this beauty lotion cheaply for your face, neck, arms and hands.  
At the cost of a small jar of ordinary cold cream one can prepare a full quarter pint of the most wonderful lemon skin softener and complexion beautifier by squeezing the juice of two fresh lemons into a bottle containing three ounces of orchard white. Care should be taken to strain the juice through a fine cloth so no lemon pulp gets in, then this lotion will keep fresh for months. Every woman knows that lemon juice is used to bleach and remove such blemishes as freckles, sallowness and tan and is the ideal skin softener, whitener and beautifier.  
Just try it! Get three ounces of orchard white at any drug store and two lemons from the grocer and make up a quarter pint of this sweetly fragrant lemon lotion and massage it daily into the face, neck, arms and hands. It is marvelous to smoothen rough, red hands.  
Come in and see our lines of House Furnishings. We can be of much assistance to you in the rearrangement of your home this spring.
