HOUSE OF REPRESENTATIVES

Yielding to what I hope may be regarded as a pardonable ambition, encouraged by my friends throughout the County, I beg to announce my candidacy for nomination, in the coming Democratic Primaries, for the House of Representatives. In making this announcement, I desire to state that, at such a crucial period in the affairs of our Nation, I feel that all personal political ambitions should be secondary and subordinated to our work for our National welfare, and I would say further that it shall be my aim and desire to avoid, as far as possible, all personal and partisan bitterness in the coming campaign. Having entered the lists, however, I shall make every honest effort, not inconsistent with my feelings, above expressed, to procure the nomination which I seek and shall appreciate the loyal support of my friends, upon whom I must depend.

Rheumatic Pains Relieved.

Teach Children to Beware of Flies

Explain to them how flies are hatched in filth. How, after crawling around in outhouses, privies, manure piles and over dead animals and decayed matter, they come into the home and wipe their nasty feet on the family food, leaving a trail of disease germs everywhere.

Flies Cause Infantile Paralysis, Typhoid and Other Fevers

The best doctors in the world will tell you that flies are the cause of a great deal of sickness, especially summer complaint, infantile paralysis, dysentery, typhoid and other fevers. Don't let flies bring sickness into your home.

RED DEVIL LYE KILLS FLIES

Keep a can of RED DEVIL LYE in your out-house and sprinkle it on the filth freely, once or twice a week. It consumes the filth, destroys the fly eggs and prevents odors and sickness.

Nature Cures, The Doctor Takes the Fee.

There is an old saying that "Nature cures, the doctor takes the fee," but as everyone knows you can help Nature very much and thereby enable it to effect a cure in much less time than is usually required. This is particularly true of colds. Chamberlain's Cough Remedy relieves the lungs, it quiets the tough mucus and aids in its expectoration, allays the cough and aids Nature in restoring the system to a healthy condition.

**Calomel Users! Listen To Me!
I Guarantee Dodson's Liver Tone**

Your Druggist gives back your money if it doesn't liven your liver and bowels and straighten you up without making you sick.

There's no reason why a person should take sickening, salivating calomel when a few cents buys a large bottle of Dodson's Liver Tone—a perfect substitute for calomel. It is a pleasant, vegetable liquid which will start your liver just as surely as calomel, but it doesn't make you sick and can not salivate. Children and grown folks can take Dodson's Liver Tone, because it is perfectly harmless. Calomel is a dangerous drug. It

is mercury and attacks your bones. Take a dose of nasty calomel today and you will feel weak, sick and nauseated tomorrow. Don't lose a day's work. Take a spoonful of Dodson's Liver Tone instead and you will wake up feeling great. No more biliousness, constipation, sluggishness, headache, coated tongue or sour stomach. Your druggist says if you don't find Dodson's Liver Tone acts better than horrible calomel your money is waiting for you.
