**GIRLS! HAVE A MASS OF BEAUTIFUL HAIR SOFT, GLOSSY, WAVY**

A small bottle destroys dandruff and doubles beauty of your hair.

Within ten minutes after an application of Danderine you can not find a single trace of dandruff or falling hair and your scalp will not itch, but what will please you most will be after a few weeks' use, when you see new hair growing and downy at first—but really new hair—growing all over the scalp.

A little Danderine immediately doubles the beauty of your hair. No difference how dull, faded, brittle and scraggy, just moisten a cloth with Danderine and carefully draw it through your hair, taking one small strand at a time. The effect is amazing—your hair will be light, fluffy and wavy and have an appearance of abundance; an incomparable lustre, softness and luxuriance.

Get a small bottle of Knowlton's Danderine from any drug store or toilet counter for a few cents and prove that your hair is as pretty and soft as any—that it has been neglected or injured by careless treatment—that's all—you surely can have beautiful hair and lots of it if you will just try a little Danderine.

The men of this country have decided that they will not permit the women to do all the conserving of clothing, so they will give up the belts of their coats. When is a sacrifice not a sacrifice?

**Constipation and Indigestion.**

These are twin evils. Persons suffering from indigestion are often troubled with constipation. Mrs. Robert Allison, Mattoon, Ill., writes that when she first moved to Mattoon she was a great sufferer from indigestion and constipation. Food distressed her and there was a feeling like a heavy weight pressing on her stomach and chest. She did not rest well at night, and felt worn out a good part of the time. One bottle of Chamberlain's Tablets corrected this trouble so that she has since felt like a different person.

Now that the daylight saving bill has become law, perhaps some of our young bloods can worry through and be ready for bed by 2 g. m.

**MAMMA! DON'T YOU SEE YOUR CHILD IS SICK, CONSTIPATED**

Look at tongue! Move poisons from liver and bowels at once.

Mothers can rest easy after giving "California Syrup of Figs," because in a few hours all the clogged-up waste, sour bile and fermenting food gently moves out of the bowels and you have a well, playful child again. Children simply will not take the time from play to empty their bowels, and they become tightly packed, liver gets sluggish and stomach disorders.

When cross, feverish, restless, see if tongue is coated, then give this delicious "fruit laxative." Children love it and it can not cause injury. No difference what ails your little one—If full of cold, or a sore throat, diarrhoea, stomach-ache, had breath, remember, a gentle "inside cleansing" should always be the first treatment given.

Full directions for babies, children of all ages and grown-ups are printed on each bottle. Beware of counterfeit fig syrups. Ask your druggist for a bottle of "California Syrup of Figs," then look carefully and see that it is made by the "California Fig Syrup Company." We make no smaller size. Hand back with contempt any other fig syrup.

Pursuit may be more inspiring than possession, but not to the fellow who misses the owl car by three seconds.
