

CONSTIPATION

And Sour Stomach Caused This Lady Much Suffering. Black-Draught Relieved.

Meadorsville, Ky.—Mrs. Pearl Patrick, of this place, writes: "I was very constipated. I had sour stomach and was so uncomfortable. I went to the doctor. He gave me some pills. They weakened me and seemed to tear up my digestion. They would gripe me and afterwards it seemed I was more constipated than before."

I heard of Black-Draught and decided to try it. I found it just what I needed. It was an easy laxative, and not bad to swallow. My digestion soon improved. I got well of the sour stomach, my bowels soon seemed normal, no more griping, and I would take a dose now and then, and was in good shape.

I cannot say too much for Black-Draught for it is the finest laxative one can use."

Theford's Black-Draught has for many years been found of great value in the treatment of stomach, liver and bowel troubles. Easy to take, gentle and reliable in its action, leaving no bad after-effects, it has won the praise of thousands of people who have used it.

This Corn Will Peel Right Off!

"Gets-It" Makes Corns Come Off The "Banana-Peel" Way!

Why have to flop on the floor, squeeze yourself up like the letter "Z", and with bulging eyes draw your face up into a wrinkly knot while you scrape and pull at the "quick" of a tender corn? That's

2 or 3 Drops Applied in a Few Seconds—Thores no Fuzzing or Cutting. "Gets-It" Always Works!

the old, savage way. "Gets-It" is the modern, painless, simple way. Lean over and put two drops of "Gets-It" on the corn, put your stocking and shoe right on again, and forget the corn. Pain is eased. "Gets-It" has revolutionized the treatment of corns. It never irritates the true flesh. You'll stop limping on the side of your shoe, and go away with greasy salves, bundling bandages, thick plasters and painful methods. Use "Gets-It". It's common sense and pull at the "quick". "Gets-It" is sold by all druggists (you need pay no more than 25 cents), or it will be sent direct by B. Lawrence & Co., Chicago, Ill.

Sold in Louisburg and recommended as the world's best corn remedy by F. R. Pleasants.

Popes Items.

On Friday March 22nd, Mrs. Ann Bragg passed to the great beyond. Mrs. Bragg was the wife of Mr. T. W. Bragg, who died about 20 years ago. Mrs. Bragg was over 70 years old, was a good Christian, a good woman, a good neighbor and was always glad to have her friends with her. She leaves one son, two daughters, Mrs. T. B. Thomas, Mrs. J. H. Holden, Mr. H. G. Bragg, of Raleigh. Her grandsons and great grandsons were pall bearers.

Popes school closed last Friday and the school has been a success. Our teacher Miss Maggie Poole will return to her home in Rangenom. Miss Poole has made many friends about Pops and we understand that she will return this fall to teach again.

Quite a large crowd came out to Sunday school Sunday last. The Superintendent requested each member to bring as many pennies as they were years old. So you may guess the pennies came by the handful. But no one ever knew how many the ladies put in the collection basket.

Cincinnati man discovers drug that loosens corns so they lift out.

Good news spreads rapidly and druggists here are kept busy dispensing freezons, the recent discovery of a Cincinnati man, which is said to loosen any corn so it lifts out with the fingers.

A quarter of an ounce costs very little at any drug store which handles drugs, but this is said to be sufficient to rid one's feet of every hard or soft corn or callus.

You apply just a few drops on the tender, aching corn or toughened callus and instantly the soreness is relieved, and soon the corn or callus is so shriveled that it lifts out without pain. It is a sticky substance which dries when applied and never inflames or even irritates the surrounding skin.

This discovery will prevent thousands of deaths annually from lock jaw and infection heretofore resulting from the suicidal habit of cutting corns.

EAT WITHOUT FEAR OF INDIGESTION OR SOUR ACID STOMACH

Instant relief! "Pape's Diapepsin" ends your stomach distress. Try It!

Wonder what upset your stomach— which portion of the food did it affect? Don't worry, don't bother. If your stomach is in a revolt; if sick, gassy and upset, and what you just ate has fermented and turned sour; head dizzy and aches; belch gas; and acids and eructates undigested food; breath foul, tongue coated—just take a little Pape's Diapepsin to help neutralize acidity and in five minutes you wonder what became of the indigestion and distress.

Millions of men and women today know that it is needless to have dyspepsia. A little Diapepsin occasionally keeps the stomach sweetened and they eat their favorite foods without fear.

If your stomach doesn't take care of your liberal limit without rebellion; if your food is a damage instead of a help, remember the quickest, surest, most harmless relief is Pape's Diapepsin, which costs only fifty cents for a large case at drug stores. It's truly wonderful—it stops fermentation and acidity and sets things straight, so gently and easily that it is really astonishing.

Some Good Advice.

"Don't think too much of your own methods. Watch other people's ways and learn from them." This is good advice, especially when bilious or constipated. You will find many people who use Chamberlain's Tablets for these ailments with the best results, and will do well to follow their example.
