Automobiles Collide.

On Monday morning there came near being a serious accident at the intersection of Franklin and Main Streets when the automobiles of Mr. T. H. Dickens and J. C. Floyd collided. It seems that Mr. Dickens was coming down Main Street while Mr. Floyd was going up Main Street. When it came apparent that an accident was possible, both parties applied brakes and Mr. Dickens car skidded completely around and struck the front of Mr. Floyd's car. With the exception of a bent fender no damage was done and no one was hurt.

## Be Fair With Your Country

A YEAR AGO the world cried for food to feed the soldiers fighting the people's war against Prussian nobility. The greatest crops in history were your response.

The United States Government protected you from the shrewd manipulator who could gamble on the price of your products. It exempted you from draft so that you could remain on the farm.

Your Government has helped you. It's your turn now. Invest in the Third issue of

### LIBERTY BONDS NOW!

Then you'll be serving your Government—helping it to prosecute vigorously the war against the autocrats who oppressed the people of France and who would oppress you.

The Government wants to do more for you. It pays you interest on every dollar you invest in Liberty Bonds. You are not asked to give your crops, neither are you asked to give your money. You are urged to lend every dollar you can spare. It's a fair proposition. Your banker will tell you so.
