

To the Voters of Franklin County:

I hereby announce myself a candidate for the office of County Commissioner from Gold Mine Township, subject to the action of the Democratic primary to be held in June. Gold Mine Township has had no representative in about thirty years. If you should support and nominate me in the coming primary, I shall at all times favor handling the funds of the county economically and giving the people the knowledge of where the money went.

W. D. FULLER

To the Tobacco Growers of Franklin and ADJOINING COUNTIES

I wish to announce to you that I have leased the FARMERS UNION WAREHOUSE for a number of years and am glad to extend you an invitation to come to see me at my new location, where I will spare no efforts to see that you receive the top of the market for your tobacco. You are familiar with my method of selling tobacco in Louisburg, and when I put the FARMERS UNION WAREHOUSE in the proper condition, which I will at once, I will be better prepared than ever to accommodate you. I will go to South Carolina and operate a warehouse again this season, but will return in time to serve you in the same old reliable way.

DOUBTS IF SHE'D HAVE LIVED TODAY

Were It Not For Mantone—Well Known Lady Gained Wonderfully On It.

"Were it not for Mantone I feel that I could not have lived much longer," writes Mrs. Elizabeth Riggsbee, church worker, member of the Daughters of the Confederacy and well known lady of this State. Her home is in Bynum. Before taking Mantone Mrs. Riggsbee suffered terribly for 16 months. "My blood was poisoned with impurities, I had a complication of liver, kidney and nerve trouble, also a severe case of intestinal indigestion. My sleep was broken and did not rest me. I fell off in weight from 212 to 142 pounds. I had headaches, backaches and high blood pressure. My hands and arms were numb. I was dizzy, my tongue was coated and I was nauseated. "I learned what Mantone did for a friend and took the full treatment. Headaches and backaches have left

me, my digestion is better, numbness has disappeared, my nerves are strengthened. I had sharp twinges in my joints and my back ached intensely at night. I tired easily, was languid and nervous and often the kidney secretions contained sediment. Six boxes of Doans Kidney Pills made a permanent cure and at the present time I am enjoying good health. This medicine deserves my most hearty endorsement."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Fleming had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.

"Nobody but the farmer knows how oats, peas, beans and barley grow," but the nation is getting a good idea how they taste.

The Hindenburg line is changing with disconcerting rapidity, but the bread lines in Germany keep their place from day to day.

Our boys in France are standing behind the lines waiting for their "crowded hours of glorious life."

HOW FAR IS MANSON?

Not So Far That the Statements of Its Residents Cannot Be Verified.

Rather an interesting case has been developed in Manson. Being so near by, it is well worth publishing here. The statement is sincere—the proof convincing:

M. V. Fleming, Manson, N. C., says:
