

IF YOU WANT Franklin County To Have One of The Judicial Offices

Then you will have to vote for
Franklin County Candidates.

To my fellow voters, friends and citizens of Franklin County I wish to say that I have made no personal canvass in my home county as I am naturally expecting my home people to stand by me in this campaign for the Solicitorship.

The seventh judicial district is composed of only Franklin and Wake Counties. Normally Wake County casts about 5,000 votes and Franklin about 2,000. Wake being a very large county with nearly three

times the vote of Franklin, it has been necessary that I devote what time I have had to spare for the campaign in Wake County. Being a comparative stranger in Wake it was necessary that I get acquainted there to some extent. I now have many friends in Wake who are actively waging my campaign for me. There is every indication that I can and will win the nomination. Your active support will be greatly appreciated.
