

Stomach Trouble

Mrs. Sophie Bauer, 521 First Ave., North, Fairbault, Minnesota, writes: "I cannot praise your wonderful medicine, Peruna, enough. It has done much for me during the past ten years and I keep it in the house continually. I was in such a condition that I could eat nothing but bread and milk, and even that was too heavy for me at times. Now, I can eat anything. I will recommend Peruna to all my friends."

Those who object to liquid medicines can procure Peruna Tablets.

POINTS THE WAY.

The Statement of This Franklinton Resident Will Interest Our Readers.

Our neighboring town, Franklinton, points the way in the words of one of its most respected residents: Mrs. W. F. Crews, Mason St., Franklinton, N. C., says: "I had trouble from my kidneys nearly all my life. My back pained me severely and felt as though it were broken. Awful twinges darted through my kidneys and I couldn't move until the pains let up. I had dizzy and nervous spells and passed gravel stones, the size of large peas. I finally began using Doan's Kidney Pills and the first box helped me. A couple of boxes strengthened my back and kidneys and removed all the trouble. I don't have trouble from stones in my bladder any more."

Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Crews had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.

The people will hail with satisfaction the news that the interned German prisoners in this country are to be put to work constructing roads. We may be very certain our boys who have fallen into German hands are paying for their keep, and then some.

TRAIN OF SCIENTISTS REACH COLLEGE TO STUDY METEOROLOGY.

315 Specially Selected Men, All College Graduates, Are to Be given Special Training Here.

To learn the science of meteorology and thus be prepared to serve the United States army in France through forecasting the weather, 315 specially selected men from all sections of the country arrived at A. and M. College at 8:30 last night in a special train from Waco, where they had been assembled by a special induction draft. All of them are college graduates, chosen by reason of their fitness for this highly scientific work and they will be given expert instruction by Dr. O. L. Fassig and Dr. Brooks of the U. S. weather bureau at Washington.

The men form a special unit of the signal corps service company school for radio mechanics and will be under the command of Captain M. C. Funston, though their instruction will be furnished by the weather bureau representatives, this being very different from the course of study and shop work mapped out for the radio mechanics.

Pending the vacation of some of the other dormitories by the pupils Tuesday night, the new men are being cared for with emergency cots in the old chapel and the college gymnasium, but by the middle of next week they will be domiciled in Leggett hall, one of the best dormitories on the campus. The men were given a cordial reception by the student body as they marched upon the campus last night.

While the college authorities are always glad to receive additional men for training they have an especial pride in the coming of these men for the meteorological school inasmuch as it is the only one that has been established by the army, so far, and it is understood it is the only one that will be established.—Bryan, Tex., Daily Eagle.

It will be interesting to Franklinton County people to know that Mr. C. K. Cooke, Jr., who recently volunteered in the aviation service of the National Army, is among those designated to study this work.

Whenever You Need a General Tonic Take Grove's.

The Old Standard Grove's Tasteless Chill Tonic is equally valuable as a General Tonic because it contains the well-known tonic properties of QUININE and IRON. It acts on the Liver, Drives out Malaria, Enriches the Blood and Builds up the Whole System. 60 cents.

Swat the arly fly, and then he will be the late fly, but not the lamented one.

Cholera Morbus.
This is a very painful and dangerous disease. In almost every neighborhood someone has died from it before medicine could be obtained or a physician summoned. The right way is to have a bottle of Chamberlain's Colic and Diarrhoea Remedy in the house so as to be prepared for it. Mrs. Charles Enyert, Huntington, Ind., writes: "During the summer of 1911 two of my children were taken sick with cholera morbus. I used Chamberlain's Colic and Diarrhoea Remedy and it gave them immediate relief."
