## Why Take Calomel?

Dr. Thacher's Liver & Blood Syrup will do all that calomel will do and without the "after effects."

Years ago, when people were bilious, when the liver got lazy and failed to do its work or the stomach was out of condition, calomel was the standby.

By and by the users of calomel found that the "after effects" of taking the drug were as bad and more often worse than the ailment for which it was taken.

Dr. Thacher, in seeking a medicine to take the place of calomel—one that would do all the good that calomel would do, and yet leave none of its evil effects perfected Dr. Thacher's Liver & Blood Syrup. This was in 1852, and each year since has added to the confidence of those who have used it.

Miss Susie Brewer, of Chattanooga, Tenn., tried calomel. She was suffering with a very serious cold and grippe and had no appetite whatever. After the calomel failed she tried Dr. Thacher's Liver & Blood Syrup. She felt better after taking three doses and she soon got entirely well. "I think Dr. Thacher's Liver and Blood Syrup is a wonderful medicine," she said, "and I am very thankful I tried it."

For nearly three quarters of a century this sterling preparation has been an "old stand-by" in thousands of homes in treating rheumatism, dyspepsia, indigestion and other stomach and liver complaints. It is a powerful tonic and blood purifier and can be used with the utmost confidence.

Read Louisburg endorsement. Read the statements of Louisburg citizens.

And decide for yourself. Here is one case of it. A. W. Perry, grocer, Main St., Louisburg, says: "I had kidney trouble for a long time and suffered from awful pains across my loins. My kidneys were inactive. Doan's Kidney Pills gave good results. Whenever I take this medicine now, it helps me and lives up to the claims made for it."

### GIRLS! ITS YOUR STEP THAT ATTRACTS!

Say women pay too much heed to their face instead of their corns.

Watch your step! A brisk, lively step is what charms more than a lovely skin, but your high heels have caused corns and you limp a little. That's bad, girls, and you know it. Corns destroy beauty and grace, besides corns are very easy to remove.

Rid your feet of every corn by asking at any drug store for a quarter of an ounce of Freezone. This will cost little but is sufficient to remove every hard or soft corn or callus from one's feet.

A few drops applied directly upon a tender, touchy corn relieves the soreness and soon the entire corn, root and all, lifts right out without pain.

This Freezone is a gummy substance which dries instantly and simply softens up the corn without inflaming or even irritating the surrounding skin.

Women must keep in mind that corn less feet create a youthful step which enhances her attractiveness.

## Second Application of Good Guano

EXPERTS contend and PROVE that using all the guano when you plant is about the same as giving a man a real good breakfast and compelling him to work all day without anything more to eat. And if the breakfast is limited you can imagine what will be that man's condition along in the afternoon.

FERTILIZER is still cheap compared with farm products. If you use it freely you harvest much greater crops without any additional expense whatever for cultivating.

It is a business proposition pure and simple. Everybody is making an extra effort to produce TWO EARS OF CORN or TWO POUNDS OF COTTON WHERE ONE FORMERLY GREW and have prepared for the rush with a good supply of the best guano money can buy.
