

Catarrh of Stomach Did Not Know It

Mrs. Selena Tanner, Athens, Ohio, writes: "I cannot find words to express my thanks for your kind advice. I never once thought I had catarrh of the stomach. I commenced taking Peruna, as you directed. My stomach continued to hurt me for about two weeks after I began the medicine, and then it stopped. I now have a good appetite, while before I was nearly starved."

Those who object to liquid medicines can procure Peruna Tablets.

Y. M. C. A. WORKERS ON ARMY TRANSPORTS

Y. M. C. A. Secretaries Now Accompany Troops From Home To The Camp And From Camp All The Way To The Boche Trenches

Y. M. C. A. secretaries have carried their work to the troops in transport, says an announcement just received from the National War Council of the Y. M. C. A., and are now promoting a systematic recreational, educational, social and religious program for the soldier boys en route by sea to France. With the sanction of the War Department each transport now carries one or two such secretaries whose function it is to do all that is possible to make the voyage both comfortable and enjoyable for the fighting men abroad.

"Games are provided, musical and movie entertainments staged, magazines and books are supplied and writing paper is issued free to the men," the statement continues. "A report of a transport worker recently arrived shows that in his equipment there were such articles as a folding organ and song books, motion-picture equipment with 20 reels, pocket testaments, writing paper, boxing gloves, medicine ball, rope, quoits, checkers, dominoes, Victrola and records and a Sonora machine."

"The appointment of transport secretaries completes the link of Y. M. C. A. work, which begins with the recruits in camp, continues through the training period, comes overseas on the transports and goes on in the camps in France all the way from the ports to the front line trenches. Transport secretaries are assigned to ships, and remain on their ships as does the crew."

TRY IT! SUBSTITUTE FOR NASTY CALOMEL

Starts your liver without making you sick and can not salivate.

Every druggist in town—your druggist and everybody's druggist has noticed a great falling off in the sale of calomel. They all give the same reason. Dodson's Liver Tone is taking its place.

"Calomel is dangerous and people know it, while Dodson's Liver Tone is perfectly safe and gives better results," said a prominent local druggist. Dodson's Liver Tone is personally guaranteed by every druggist who sells it. A large bottle costs but a few cents, and if it fails to give easy relief in every case of liver sluggishness and constipation, you have only to ask for your money back.

Dodson's Liver Tone is a pleasant-tasting, purely vegetable remedy, harmless to both children and adults. Take a spoonful at night and wake up feeling fine; no biliousness, sick headache, acid stomach or constipated bowels. It doesn't gripe or cause inconvenience all the next day like violent calomel. Take a dose of calomel today and tomorrow you will feel weak, sick and nervous.

Take Dodson's Liver Tone instead and feel fine, full of vigor and ambition.

The poorer classes in Turkey are now living on chestnuts and pumpkin seeds. With this in view, we cannot object to a ration of cornmeal, oatmeal and barley flour.

Whenever You Need a General Tonic Take Grove's.

The Old Standard Grove's Tasteless chill Tonic is equally valuable as a General Tonic because it contains the well known tonic properties of QUININE and IRON. It acts on the Liver, Drives out Malaria, Enriches the Blood and Builds up the Whole System. 60 cents.

Mr. Schwab's shipbuilding slogan of "More caulking, less talking," is admirable. Is there any department which would be the better for the variation, "More scheming, less dreaming?"

Cholera Morbus.

This is a very painful and dangerous disease. In almost every neighborhood someone has died from it before medicine could be obtained or a physician summoned. The right way is to have a bottle of Chamberlain's Colic and Diarrhoea Remedy in the house so as to be prepared for it. Mrs. Charles Emyert, Huntington, Ind., writes: "During the summer of 1911 two of my children were taken sick with cholera morbus. I used Chamberlain's Colic and Diarrhoea Remedy and it gave them immediate relief."
