

CONSTIPATION

And Sour Stomach Caused This Lady Much Suffering. Black-Draught Relieved.

Meadorsville, Ky.—Mrs. Pearl Patrick, of this place, writes: "I was very constipated, I had sour stomach and was so uncomfortable. I went to the doctor. He gave me some pills. They weakened me and seemed to tear up my digestion. They would grip me and afterwards it seemed I was more constipated than before. I heard of Black-Draught and decided to try it. I found it just what I needed. It was an easy laxative, and not bad to swallow. My digestion soon improved. I got well of the sour stomach, my bowels soon seemed normal, no more griping, and I would take a dose now and then, and was in good shape.

I cannot say too much for Black-Draught for it is the finest laxative one can use." Theodor's Black-Draught has for many years been found of great value in the treatment of stomach, liver and bowel troubles. Easy to take, gentle and reliable in its action, leaving no bad after-effects, it has won the praise of thousands of people who have used it. NC-185

GEORGIAN SAYS ITS WORTH THOUSANDS

Declares Tanlac Restored Health After 20 Years' Suffering.

"It's worth thousands of dollars to feel like I do now, since Tanlac has taken away the trouble that kept me in misery for the last twenty years," said M. B. Daniel, a well-known farmer living on Route 2 out of Abbeville, Georgia a few days ago.

"Whenever a man suffers as long as I did, he gets to the place where he feels like he's no more good in this world," he continued, "and that's just the way I had begun to feel. Long

my work, for spells of stomach trouble and nervousness just made it torture for me to eat and the trouble I had wouldn't let me sleep at all. My heart acted queer until I was afraid it was going to stop.

"I'd been well enough satisfied to have had my sufferings relieved, but that's not all Tanlac did. I've gained eleven pounds besides. I can eat as heartily as if I had never had stomach trouble and I can do as much work in a day as I ever could. I just feel like a new man."

Tanlac is sold in Louisburg by The Scoggin Drug Store.

Two Irishmen were looking into a jeweler's display window at a collection of diamonds. One said to the other:

Mike, how would you like to have your pick in there? Begorra, said Mike, I would like to have me shovel.

No Worms in a Healthy Child

All children troubled with worms have an unhealthy color, which indicates poor blood, and as a rule there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Nature will then throw off or dispel the worms, and the child will be in perfect health. Pleasant to take. 60c per bottle.

Cincinnati authority tells how to dry up any corn or callus so it lifts right off.

You corn-pestered men and women need suffer no longer. Wear the shoes that nearly killed you before, says this Cincinnati authority, because a few drops of freezeone applied directly on a tender, aching corn stops soreness at once and soon the corn loosens so it can be lifted out, root and all, without a bit of pain.

A quarter of an ounce of freezeone costs very little at any drug store, but is sufficient to take off every hard or soft corn or callus. This should be tried, as it is inexpensive and is said not to inflame or even irritate the surrounding tissue or skin.

If your wife wears high heels she will be glad to know of this.

GIRLS! HAVE A MASS OF BEAUTIFUL HAIR.

SOFT, GLOSSY, WAVY. A small bottle destroys dandruff and doubles beauty of your hair.

Within ten minutes after an application of Danderine you can not find a single trace of dandruff or falling hair and your scalp will not itch, but what will please you most will be after a few weeks' use, when you see new hair, fine and downy at first—yes—but really new hair—growing all over the scalp.

A little Danderine immediately doubles the beauty of your hair. No difference how dull, faded, brittle and scraggy, just moisten a cloth with Danderine and carefully draw it through your hair, taking one small strand at a time. The effect is amazing—your hair will be light, fluffy and wavy, and have an appearance of abundance; an incomparable lustre, softness and luxuriance.

Get a small bottle of Knowlton's Danderine from any drug store or toilet counter for a few cents and prove that your hair is as pretty and soft as any—that it has been neglected or injured by careless treatment—that's all—you surely can have beautiful hair and lots of it if you will just try a little Danderine.

Names and Strength of Different Military Units.

Most persons are said to be familiar with the most outstanding facts about a military company of a battalion, but how many know the number of men in each of those units or the number of an infantry brigade, for instance? In time of war it will probably be of interest to many to learn the numerical strength of the various units of which our army as a whole is composed.

According to the July number of the Army Recruiter, a monthly magazine published by the publicity department of the United States army and the general recruiting service, the names of the units and their strengths are as follows:

- An army corps is 60,000 men.
- An infantry division is 19,000 men.
- An infantry brigade is 7,000 men.
- A regiment of infantry is 3,600 men.
- A battalion is 1,000 men.
- A company is 250 men.
- A platoon is 60 men.
- A corporal's squad is 11 men.
- A firing squad is 20 men.
- A supply train has 283 men.
- A machine gun battalion is 260 men.
- An engineer's regiment is 1,068 men.
- An ambulance company has 66 men.

Rheumatism was strongly entrenched in the joints and muscles of Judge H. G. Huntley. Less than one bottle of L-Rheumo took the kinks out and put the enemy to flight, and no return of the trouble. The Judge's letter.

Morven, N. C., July 16, 1916. Chapman-Alexander Laboratories, Greenville, S. C.

Gentlemen:—After suffering from Rheumatism for about two years, I was advised to try your remedy (L-Rheumo.) After having taken it for a few days I was entirely relieved of pain and feel that I am well, but still have almost one-half the bottle left. It has been over a year and no return of the trouble as yet.
