

GLAD TO TESTIFY

Says Watoga Lady, "As To What Cardui Has Done For Me, So As To Help Others."

Watoga, W. Va.—Mrs. S. W. Gladwell, of this town, says: "When about 15 years of age, I suffered greatly... Sometimes would go a month or two, and I had terrible headache, backache, and bearing-down pains, and would just drag and had no appetite. Then... it would last two weeks, and was so weakening, and my health was awful. My mother bought me a bottle of Cardui, and I began to improve after taking the first bottle, so kept it up till I took three... I gained, and was well and strong, and I owe it all to Cardui. I am married now and have 3 children... Have never had to have a doctor for female trouble, and just resort to Cardui if I need a tonic. I am glad to testify to what it has done for me, so as to help others." If you are nervous or weak, have headaches, backaches, or any of the other ailments so common to women, why not give Cardui a trial? Recommended by many physicians. In use over 40 years. Begin taking Cardui today. It may be the very medicine you need.

WOULD WALK 30 MILES TO TELL IT

Miss McKenzie Gains Twenty-five Pounds on Tanlac and Health is Restored—Tells Friends About It.

"I am so grateful for the wonderful relief I have gotten from taking Tanlac that I would be willing to walk twenty miles to tell anyone who suffers like I did, what this medicine has done for me," said Miss Adela McKenzie, 424 Sixth Avenue, South Nashville, Tenn.

"I suffered for about eighteen months from nervous prostration and kept getting worse in spite of all I could do. I had no appetite at all, and after eating, my stomach would burn like I had swallowed a fire-coal. I could not sleep, and my weight dropped to the next at times, and I was so nervous I couldn't keep still. I could hardly sleep at all and I fell off at least fifty pounds.

"After I had tried several different medicines without getting any relief, my brother got me a bottle of Tanlac and I started taking it. By the time I had finished my second bottle, my appetite began to improve and the troubles were greatly relieved. The burning sensation in my stomach has disappeared, the nervousness is all gone. I sleep like a child at night and besides gaining twenty-five pounds in weight, I am in splendid health again."

Tanlac is sold in Louisburg by Scoggin Drug Store.

No Worms in a Healthy Child

All children troubled with worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a general strengthening tonic to the whole system. Nature will then throw off or dispel the worms, and the child will be in perfect health. Pleasant to take. 60c per bottle.

An Irish doctor sent this bill to a lady: "To curing your husband till he died, twenty-five pounds."

"I understand, Mrs. Grumpy, there was a great deal of vaccination in your family."

"Yes'm, but none of it ever took."

Is this machine automatic? Absolutely. Needs no attention whatever. The agent says it will even pay for itself.

LIKE AN ELECTRIC BUTTON ON TOES

Tells why a corn is so painful and says cutting makes them grow.

Press an electric button and you form a contact with a live wire which rings the bell. When your shoes press against your corn it pushes its sharp roots down upon a sensitive nerve and you get a shock of pain. Instead of trimming your corns, which merely makes them grow, just

step into any drug store and use for a quarter of an ounce of freezeone. This will cost very little but is sufficient to remove every hard or soft corn or callus from one's feet. A few drops applied directly upon a tender, aching corn stops the soreness instantly, and soon the corn shrivels up so it lifts right out, root and all, without pain. This drug freezeone is harmless and never inflames or even irritates the surrounding skin.

EVER SALIVATED BY CALOMEL HORRIBLE!

Calomel is quicksilver and acts like dynamite on your liver.

Calomel loses you a day! You know what calomel is. It's mercury; quick silver. Calomel is dangerous. It crashes into your bile like dynamite, cramping and sickening you. Calomel attacks the bones and should never be put into your system.

When you feel bilious, sluggish, constipated and all knocked out and believe you need a dose of dangerous calomel just remember that your druggist sells for a few cents a large bottle of Dodson's Liver Tone, which is entirely vegetable and pleasant to take and is a perfect substitute for calomel. It is guaranteed to start your liver without stirring you up inside, and can not salivate.

Don't take calomel! It makes you sick the next day; it loses you a day's work. Dodson's Liver Tone straightens you right up and you feel great. Give it to the children because it is perfectly harmless and doesn't gripe.

Mabel, nine years old, asked her mother: "Where is pap going?"
"To a stag party," she replied.
"What is a stag party, mamma?"
Sister Alice, seven years old, who had been listening with dignified attitude of superior wisdom, answered instantly: "It's where they stagger. Didn't you know?"

CHICHESTER'S PILLS

WHAT CATARRH IS

Science has shown that nasal catarrh often indicates a general weakness of the body and local treatments in the form of snuffs and vapors only irritate and do little if any good.

To correct catarrh you should treat its cause by enriching your blood with the oil-food in Scott's Emulsion which is a medicinal food and a building-tonic free from any harmful drugs. It is helping thousands. Try it. Scott & Bowne, Bloomfield, N. J.

CLEANSER YOUR HAIR MAKES IT BEAUTIFUL THICK, GLOSSY, WAVY

Try this! All dandruff disappears and hair stops coming out.

Surely try a "Dandergine Hair Cleanse" if you wish to immediately double the beauty of your hair. Just moisten a cloth with Dandergine and draw it carefully through your hair, taking one small strand at a time; this will cleanse the hair of dust, dirt or any excessive oil—in a few minutes you will be amazed. Your hair will be wavy, fluffy and abundant and possess an incomparable softness, lustre and luxuriance.

Besides beautifying the hair, one application of Dandergine dissolves every particle of dandruff; invigorates the scalp, stopping itching and falling hair.

Dandergine is to the hair what fresh showers of rain and sunshine are to vegetation. It goes right to the roots, invigorates and strengthens them. Its exhilarating, stimulating and life-producing properties cause the hair to grow long, strong and beautiful. You can surely have pretty, soft, lustrous hair, and lots of it, if you will spend a few cents for a small bottle of Knowlton's Dandergine at any drug store or toilet counter and try it as directed.

Morven, N. C., July 16, 1918. Chapman-Alexander Laboratories, Greenville, S. C. Gentlemen:

After suffering from Rheumatism for about two years, I was advised to try your remedy (L-Rheumo). After having taken it for a few days I was entirely relieved of pain and feel that I am well, but still have almost one-half the bottle left. It has been over a year and no return of the trouble as yet. Yours truly, H. G. HUNTLEY, J. P. For sale by Winston Bros., Youngsville; Wilson & Lee, Dunn; W. W.
