HARD TIMES

Can't touch the man with the "saving habit." We don't mean the miser—he is one of the worst sufferers, he suffers in the spirit.

The sensible, prudent man who lives within his income and regularly lays by a little of his earnings, can defy hard times.

The best way to get the "saving habit" is to start a savings account at a good bank.

You'll take a pride in watching it grow to proportions where it will work for you.

We specialize in Savings Accounts, and pay four per cent on all time deposits.

We solicit your account—be it large or small.
