**GYPSY SAYS WAR WILL END ON DECEMBER 25th.**

He Also Predicts Kaiser Will Commit Suicide on November 25th.  
 Wilson, N. C., Oct. 10.—Peace will be declared on December 5 following the suicide of the Kaiser on November 25, according to a gypsy fortune teller who was travelling on a train between here and Rocky Mount today. This information was imparted to two Wilsonians who were on the train. One of the men had given the gypsy a quarter and give him \$25 to tell him when the war would end.  
 "My friend," was the response. "It is impossible for you to carry out your offer as you have only 43 cents on your person and your friend can help you but a little. He has only \$2.00 and when the train arrives in Wilson, your home town, will be the last time we will meet in this world." The crowd insisted that the Wilsonian take an inventory of the cash in hand, which he did and found that the gypsy had made no mistake in telling, to a penny, what each one was possessed of. "Now gentlemen," continued the fortune teller, "I'll impart to you the desired information. On November 25, of this year, the Kaiser will commit suicide and on December 5 peace will be declared."

**No Worms in a Healthy Child**

All children troubled with worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHLORIDE given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Nature will then throw off or dispel the worms, and the child will be in perfect health. Pleasant to take. 60c per bottle. Scott & Borne, Bloomfield, N. J.

**Rheumatism Arrested**

If you suffer with lame muscles or stiffened joints look out for impurities in the blood, because each attack gets more acute and stubborn. To arrest rheumatism you must improve your general health and purify your blood; the cod liver oil in Scott's Emulsion is Nature's great blood-maker while it also strengthens the organs to expel the impurities. Scott's is helping thousands who could not find other relief. Scott & Borne, Bloomfield, N. J.
