

### TERRIBLY SWOLLEN

Suffering Described As Torture Relieved by Black-Draught.

Rossville, Ga.—Mrs. Kate Lee Able, of this place, writes: "My husband is an engineer, and once while fitting, he injured himself with a piece of heavy machinery, across the abdomen. He was so sore he could not bear to press on himself at all, on chest or abdomen. He weighed 165 lbs., and fell until he weighed 110 lbs."

He became constipated and it looked like he would die. We had three different doctors, yet with all their medicine, his bowels failed to act. He would turn up a ten-cent bottle of castor oil, and drink it two or three days in succession. He did this yet without result. We became desperate, he suffered so. He was swollen terribly. He told me his suffering could only be described as torture.

I sent and bought Theford's Black-Draught. I made him take a big dose, and when it began to act he faint, he was in such misery, but he got relief and began to mend at once. He got well, and we both feel he owes his life to Theford's Black-Draught."

Theford's Black-Draught will help you to keep fit, ready for the day's work. Try it! NC-131

"It gives me the greatest pleasure to testify that the work has been conducted upon the broadest lines of service, not merely to the gallant soldiers of the army of the great Republic of the West, but to all they could assist. The high quality of character of those conducting this work needs no praise, but I affirm that in my opinion it would have been impossible to have afforded the boys that inspiration and succor they need—and which they so richly deserve—without your efforts."

## SOUTHEAST HEROES IN FRANCE GET SUPPLIES AT LESS THAN WHOLESALE PRICES OVER HERE

RED TRIANGLE SHOULDERS EXPENSE OF TRANSPORTATION FROM MANUFACTURERS TO CANTEENS IN FRANCE—SYSTEM REDUCED TO FINAL BASIS AND RESULTS NOW ARE VERY GRATIFYING.

The Americans overseas with Pershing have facilities for combatting the high cost of living that are absolutely beyond the reach of civilians on this side of the Atlantic. Even their small luxuries, such as tobacco, biscuits, cakes and similar articles, are obtainable at prices that are considerably lower than those charged by retailers in American cities.

This is made possible because the Army and Navy Y. M. C. A. has taken over all post exchanges in France at the direct request of General Pershing, so that the Red Triangle is now conducting the greatest business enterprise in the world.

Tobacco and other "supplementary" supplies are distributed to the boys in khaki at exactly wholesale prices. The "Y" makes not a penny of profit and even shoulders the financial loss entailed by footing the bills for transportation from the manufacturer to the canteens at the front.

The American troopers can buy Fatima cigarettes for 60 centimes, or about 8 cents; Camels, 35 centimes, or about 4 cents; Sweet Caporals, 20 centimes, or about 3 cents; Lucky Strikes, 30 centimes, or about 5 cents; Murads, 65 centimes or about 11 cents; Bull Durham, 25 centimes, or about 4 cents; Prince Albert, 40 centimes, or about 7 cents; Velvet, 30 centimes, or about 5 cents; Star Chewing, 35 centimes, or about 6 cents.

Capt. George M. Lynch, former assistant commandant at the Florida Military College, Gainesville, Fla., but now in the Red Triangle Service, has made several trips overseas and has investigated thoroughly the conditions existing in the post exchanges under Y. M. C. A. management. He declares that while some difficulty was experienced at first, prices have been stabilized and the boys are getting their supplies at cost.
