### THE TRAVELING MAN'S FIRST AID

This One Found Something That Took the Misery Out of Life on the Road

Those who travel regularly for business must be of good disposition and robust constitution to withstand the strain of sleeping in different and different hotels, eating here and there and living out of a handbag. D. E. Oakes, a widely known traveling man who lives at 612 N. Forbis St., Greensboro, has made traveling more of a pleasure, and this is the way that he does it:

"Life on the road is easier for me now, since I found a way to keep myself in perfect physical condition. For six or seven years I have carried around with me a bad case of indigestion and stomach trouble. I was very nervous, could not sleep and eating was out of the question with me. As it made me sick to look at food, in Peplac I found a remedy that gave me relief and now I sleep fine, indigestion has left me, I can eat anything I want and am not sick afterward. I consider Peplac indispensable to good health and would never permit myself to be without it."

Peplac is sold and recommended in Louisburg at Scoggin's Drug Store, Winston-Blanks Drug Co., Youngsville T. E. Holding, Wake Forest, and W. W. Parker, at Henderson. Buy a bottle today, it has helped others and will do the same for you.

## 66 Years Success

### The Wonderful Record of Dr. Thacher's Liver and Blood Syrup.

Those medicines which live for even a quarter of a century are exceptional, and continuous use for over two-thirds of a century is indisputable evidence of wonderful merit.

Dr. Thacher's Liver and Blood Syrup came into existence in 1852, and from that time to the present it has grown in the confidence and estimation of its yearly increasing number of users. Through all these years it has steadily grown in popular favor.

Its wonderful building up power is shown in the experience of Mrs. C. E. Chadwick, Seale, Ala. "I was all run down in health," she says. "Weight only 104 pounds and getting weaker every day. I began the use of Dr. Thacher's Liver and Blood Syrup today. I am thankful to say, I am in perfect health and weigh 155 pounds. I attribute my good health to the use of that most wonderful medicine. I firmly believe there are numerous suffering people that could be sound and well by the use of Dr. Thacher's Liver and Blood Syrup."

If you need a tonic, or a blood purifier; if your liver is out of order, your stomach troubles you, or you are constipated, have indigestion or dyspepsia, try Dr. Thacher's Liver and Blood Syrup. It is purely vegetable and cannot possibly injure any one. It has been of wonderful benefit to others, therefore should command your attention. All dealers in medicines sell it and will recommend it.
