

THANKSGIVING

1621 - 1918

THE first Thanksgiving was an outpouring of public gratitude for the harvest that saved the colony of Massachusetts.

On Thanksgiving this year, we give thanks not only for bountiful crops and abundant prosperity—but for the devotion of our soldier sons and their heroism in the field.

Though we properly feast to celebrate the day—let us not forget that of the two days of prayer established by the Pilgrim Fathers, one was devoted to fasting and humiliation.

Perhaps then a certain inward fasting and soul searching is in keeping with the day and the times. Should we not take thought and pride as Americans that we have risen to the ideals of those who founded America.

In our celebration let us also give solemn thanks that in the War for Humanity we have done our share and are victorious.

We publish this as our contribution to the spirit of real Thanksgiving felt by our fellow townsmen at this time. 0 0 0 0 0 0 0 0 0 0

"When It Pours, It Reigns"

Food Administrator Page declares very aptly that food can only be measured in terms of human lives. It is feared that, do our best, millions of people in Poland, Finland, Roumania and Russia must perish from starvation during the next few months. We will be held blameless if we do our best but unless every individual in this country does his utmost it will be too late.

Wasted food on this side means starving, suffering and death on the other side.

WOMEN GIVE OUT

Housework is hard enough when healthy. Every Louisburg woman who is having backache, blue and nervous spells, dizzy headaches and kidney or bladder troubles, should be glad to heed this Louisburg woman's experience:

Mrs. W. M. Pleasants, Cedar St., says: "Three years ago I was in bad shape with my kidneys. I was annoyed by the way they acted and my back was so lame and sore that if I would do a little too much lifting, severe pains would come over my kidneys. My head ached badly at times, too and I was nervous and couldn't stand the least noise. I heard a whole lot of Doan's Kidney Pills and I began taking them. I got my supply at the Aycock Drug Co. I am glad to say they certainly relieved this trouble."

Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Pleasants had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.

Food helped win the war. The next duty and opportunity of food is to save starving nations in Europe.

America can ship 50 per cent more food this year if we are all 50 per cent better Americans.

CALOMEL SALIVATES AND MAKES YOU SICK

Acts Like Dynamite on a Sluggish Liver and You Lose a Day's Work.

There's no reason why a person should take sickening, salivating calomel when a few cents buys a large bottle of Dodson's Liver Tonic—a perfect substitute for calomel.

It is a pleasant, vegetable liquid which will start your liver just as surely as calomel, but it doesn't make you sick and can't salivate.

Children and grown folks can take Dodson's Liver Tonic, because it is perfectly harmless.

Calomel is a dangerous drug. It is mercury and attacks your bones. Take a dose of nasty calomel today and you will feel weak, sick and nauseated tomorrow. Don't lose a day's work. Take a spoonful of Dodson's Liver Tonic instead and you will wake up feeling great.

No more biliousness, constipation, sluggishness, headache, coated tongue or sour stomach. Your druggist says if you don't find Dodson's Liver Tonic acts better than horrible calomel your money is waiting for you.

No Worms in a Healthy Child
All children troubled with worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILI TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Nature will then throw off or dispel the worms, and the child will be in perfect health. Pleasant to take. 50c per bottle.
