

A SAFE TREATMENT FOR CROUP

Thousands of children die every year from this evil and terrible disease. Every mother should have a reliable first aid remedy, and there is no safer or surer treatment for croup and congestion than to apply

MOTHERS JOY

ROSE'S SALVE

It is the only safe and reliable remedy for croup, whooping cough, and all other respiratory ailments. It is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start your liver and straighten you up better and quicker than nasty calomel and without making you sick, you just go back and get your money.

If you take calomel today you'll be sick and nauseated tomorrow; besides it may salivate you, while if you take Dodson's Liver Tonic you will wake up feeling great, full of ambition and ready for work or play. It's harmless, pleasant and safe to give to children; they like it.

Some women dress to please men and some to worry other women.

CALOMEL DYNAMITES

A SLUGGISH LIVER

Crashes into sourbille, making you sick and you lose a day's work.

Calomel salivates! It's mercury. Calomel acts like dynamite on a sluggish liver. When calomel comes into contact with sour bile it crashes into it, causing cramping and nausea.

If you feel bilious, headachy, constipated and all knocked out, just go to your drugist and get a bottle of Dodson's Liver Tonic for a few cents which is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start your liver and straighten you up better and quicker than nasty calomel and without making you sick, you just go back and get your money.

If you take calomel today you'll be sick and nauseated tomorrow; besides it may salivate you, while if you take Dodson's Liver Tonic you will wake up feeling great, full of ambition and ready for work or play. It's harmless, pleasant and safe to give to children; they like it.

We Thank You

With the beginning of a New Year we wish to thank each and everyone in Franklin and adjoining counties who favored us with their patronage during the year 1918. We grieve with those who were so unfortunate as to lose a loved one during this time and especially in the epidemics of "flu". You have our sincerest sympathy, and we only wish it had been in our power to render you such service as to have relieved you of your bereavement.

Assuring you of the continuation of our best and most efficient services in the future we hope to have a more liberal share of your patronage and wish for you a most prosperous year.

An Equation.

No one has devised the ratio by which service on the firing line can be translated into an equivalent purchase of Victory Liberty Bonds, and no one ever will, but in reading the records of heroism it gives us something to ponder.

As an example take the case of Corporal Edward J. Wollert of the 78th Company, sixth Regiment, U. S. Marine Corps. Wollert "hiked" until he was "all in" and then went into action, fighting as only a marine fights, until he could not have been criticised for feeling that he had a little rest coming to him. And just about the time Corporal Wollert believed there was lull in the fighting near Thiacourt France, he saw one of his wounded officers, a prisoner under escort of six Germans. No one commanded Wollert to do anything but he saw the need of further service and he promptly attempted a rescue.

At close quarters with his pistol he killed two of the Germans, the wounded officer took advantage of the surprise and disposed of two others and Corporal Wollert disarmed and captured the remaining two. The American Corporal ordered the Germans to pick up his officer and carry him back of the lines.

Sounds like a movie looks, doesn't it?

But this is not a movie nor the fiction of a movie although it is worthy of a Porthos of a Frank Merriwell. It is taken from the War Department records of the American army in France as told in the citations for bravery.

Just how many Victory Liberty Bonds should an American stay-at-home buy to even the scales with this exploit of Corporal Wollert? How much more work should be done in the Victory Liberty Loan Campaign by a tired worker who feels that he has done enough?

Think it over.

CHILDHOOD DAYS WERE DARKENED

Little Girl Was So Irritable That Those Who Should Have Been Her Playmates Avoided Her.

There is nothing so pitiable as a child whose days are saddened by ill health, as was the case with little Sallie Phipps, daughter of Mrs. C. R. Phipps, 527 South Street, Durham, who describes her daughter's condition:

"Sallie, who is now nine years old, was, until quite recently, in such a physical state that life was miserable for her and every one around her. She was so nervous that the presence of playing children drove her almost frantic. This was due to her health; her disposition was poor and her blood became so bad that she developed sores over her body. Weakened in this manner she was an easy prey for disease and developed pellegra. Nothing seemed to help her until I gave her Peplac, which quickly brought a change and she could soon eat solid food without distress. Her system is free of pellegra she has gained in weight and strength, plays with the other children and is as happy as any child could be."

Peplac is sold and recommended in Louisburg at Scoggins Drug Store, Winston-Blanks Drug Co., Youngs-ville, T. E. Holding, Wake Forest, and W. W. Parker at Henederson. Buy a bottle today it has helped others and will do the same for you.

EAT WITHOUT FEAR OF INDIGESTION OR SOUR, ACID STOMACH

Instant relief! "Pape's Diapepsin" ends your stomach distress. Try it!

Wonder what upset your stomach—which portion of the food did the damage—do you? Well, don't bother. If your stomach is in a revolt; if sick, gassy, and upset, and what you ate has fermented and turned sour; head dizzy and aches; belch gases and acids and eructate undigested food; breath foul, tongue coated—just take a little Pape's Diapepsin to help neutralize acidity and in five minutes you wonder what became of the indigestion and distress.

Millions of men and women today know that it is needless to have dyspepsia. A little Diapepsin occasionally keeps the stomach sweetened and they eat their favorite foods without fear.

If your stomach doesn't take care of your liberal limit without rebellion; if your food is a damage instead of a help, remember, the quickest, surest, most harmless relief is Pape's Diapepsin, which costs only fifty cents for a large case at drug stores. It's truly wonderful—it stops fermentation and acidity and sets things straight, so gently and easily that it is really astonishing.

The police court is a continuous bench show.

No Worms in a Healthy Child

All children troubled with worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Nature will then throw off or dispel the worms, and the Child will be in perfect health. Pleasant to take. 60c per bottle.
