

Surprise the Family Tonight

Bake them some crispy, tasty, golden-brown biscuits made from OCCO-NEE-CHEE Self-Rising Flour. Then watch the way those goodies disappear—one, two, three, four—and every one as good as the last.

OCCO-NEE-CHEE Self-Rising Flour

Takes the Guess out of Baking and Saves you Money

With it you can make the same appetizing biscuits, waffles, muffins and cakes time after time. There's no more guessing. It has mixed with it, in the exact proportions, the very best baking powder, soda and salt. It's economical because it saves you the cost of these three materials. Buy a bag of OCCO-NEE-CHEE Self-Rising Flour today. Look for the Indian Head on the bag. At all grocers.

When you prefer to bake with plain flour buy Peerless—the best of its kind.

SCHOOL COLUMN

Items of Interest for School Teachers of Franklin County.

By E. L. BEST, Superintendent

1. Copies of "The Spirit of America," which contains material for the observation of Washington's Birthday, were sent to each school last Tuesday. I do not suppose that the copies reached you in time to prepare the program for the 22nd. However, you can prepare the program for any Friday afternoon. The main purpose of this bulletin is to give material for the observation of Washington's Birthday and to teach patriotism in the schools. However, the pamphlet contains many valuable selections which every teacher may use with profit on other occasions. The teachers will therefore keep this bulletin as a contribution to the library in order that it may be used as you need it to teach patriotism. A bulletin containing patriotic songs were also mailed to each school. I hope the teachers will see the importance of preserving both these bulletins as it will not be possible to republish them every year.

2. The office this morning is mailing to each school a copy of "Food Saving and Sharing", a textbook prepared

under the direction of the Food Administration by the best authorities on food values and food conditions in America. I believe that the teachers can use this text as a supplementary reader with much profit. The book is free and I recommend that you take advantage of this opportunity to disseminate the valuable information found in its pages.

3. On account of the unavoidable breaks in the school work this term there will be no stated date for the seventh grade examination this spring. However, if any school has a class or any members who will be prepared for eighth grade work in the fall, it may give the seventh grade examination one week before the school closes. Such a school will please write me three weeks before it is so close, the number wishing to take the examination and the date of the same. This will give me sufficient time to grade the examination papers and send the grades to the teachers before the close of their schools. It is not the number of months that a pupil has been to school that determines his promotion, but whether or not he has completed the work required in his grade.

4. The Teachers of Harris and Dunn's Townships will please bring their certificates with them Saturday in order that I may get the exact date and serial number.

Farmers Union Meeting.

There will be a meeting of the Farmers Union in the court house in Louisburg, Thursday March 6th, at 10 o'clock a. m.

ONE DOSE RELIEVES A COLD—NO QUININE

"Pape's Cold Compound" ends bad colds or grippe in a few hours.

Relief comes instantly. A dose taken every two hours until three doses are taken will end grippe misery and break up a severe cold either in the head, chest, body or limbs.

It promptly opens clogged-up nostrils and air passages in the head, stops nasty discharge or nose running, relieves sick headache, gulliness, feverishness, sore throat, sneezing, soreness and stiffness.

Don't stay stiffed up! Quit blowing and snuffing! Ease your throbbing head! Nothing else in the world gives such prompt relief as "Pape's Cold Compound," which costs only a few cents at any drug store. It acts without assistance, tastes nice, and causes no inconvenience. Be sure you get the genuine.
