LIFT OFF CORNS!

Apply few drops then lift sore, touchy corns off with fingers

Doesn't hurt a bit! Drop a little Freezone on an aching corn, instantly that corn stops hurting, then you lift it right out. Yes, magic!

A tiny bottle of Freezone costs but a few cents at any drug store, but is sufficient to remove every hard corn, soft corn, or corn between the toes, and the calluses, without soreness or irritation. Freezone is the sensational discovery of a Cincinnati genius. It is wonderful.

Mr. Jessie Williams, of Wilson, spent several days in Louisburg this week.

A POPULAR GIRL WAS MADE HAPPY

Her Life Was Far From Pleasant Until She Made a Discovery That Changed Things.

This is a story of how Miss Marie Doggett, a well known Charlotte young lady, living at 312 N. Tryon Street, was quickly transformed from a high-

man to a healthy, happy being. Miss Doggett says: "I suffered from stomach trouble and catarrh for more than a year and began to lose weight. I was nervous, could not sleep at night and my skin was sallow and blotchy. I began to imagine that my condition was chronic and brooded over this. I lost all ambition and wanted to be left alone. I knew of the benefit my mother had obtained from Peplac and decided to try it. I began to improve almost immediately. I no longer had pains after eating; slept soundly and gained in weight. Catarrh is gone and I am full of energy, and so anxious to let everyone know what Peplac did for me that I gladly make this statement."

Peplac is sold and recommended in Louisburg at Scoggins Drug Store, Winston-Blanks Drug Co., Youngsville, T. E. Holding, Wake Forest, and W. W. Parker at Henderson. Buy a bottle today it has helped others and will do the same for you.

GIRLS! HAVE A MASS OF BEAUTIFUL HAIR, SOFT, GLOSSY, WAVY

A small bottle destroys dandruff and doubles beauty of your hair.

Within ten minutes after an application of Danderine you can not find a single trace of dandruff or falling hair and your scalp will not itch, but what will please you most will be after a few weeks' use, when you see new hair fine and downy at first—yes—but really new hair—growing all over the scalp.

A little Danderine immediately doubles the beauty of your hair. No difference how dull, faded, brittle and scraggy, just moisten a cloth with Danderine and carefully draw it through your hair, taking one small strand at a time. The effect is amazing—your hair will be light, fluffy and wavy, and have an appearance of abundance; an incomparable lustre,

softness and luxuriance. Get a small bottle of Knowlton's Danderine from any drug store or toilet counter for a few cents and prove that your hair is as pretty and soft as any that it has been neglected or injured by careless treatment—that's all—you surely can have beautiful hair and lots of it if you will just try a little Danderine.
