

Calomel Today! Sick-Tomorrow!
I Guarantee Dodson's Liver Tone

Don't take nasty, dangerous calomel when bilious, constipated, headachy. Listen to me!

Calomel salivates! It's mercury. Calomel acts like dynamite on a sluggish liver. When calomel comes into contact with sour bile it crashes into it, causing cramping and nausea. If you feel bilious, headachy, constipated and all knocked out, just go to your druggist and get a bottle of Dodson's Liver Tone for a few cents which is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start your liver and straighten you up better and quicker than nasty calomel and without making you sick, you just go back and get your money. If you take calomel today you'll be sick and nauseated tomorrow; besides, it may salivate you, while if you take Dodson's Liver Tone you will wake up feeling great, full of ambition and ready for work or play. It is harmless, pleasant and safe to give to children; they like it.

EVERYBODY IS NOW FIGURING INCOME TAX

In Order to Be Helpful to Public, Internal Revenue Bureau Has Every Available Officer in Field.

SEVERE PENALTIES IF YOU DELAY BEYOND MARCH 15

With the due date for Income Taxes only a few weeks away, the collection of this far-reaching tax on 1918 incomes has started off with a bang. Everybody is figuring income tax. Payments and sworn statements of income must reach Internal Revenue offices on or before March 15, and there are severe penalties for delinquency. Residents of North Carolina should make their returns and pay their taxes to Josiah W. Bailey, Collector of Internal Revenue, Raleigh, or to Austin D. Watts, Statesville, or to any of the deputy collectors who are now doing free advisory work in Income Tax. "Pay your Income Tax by March 15," is the slogan of the Internal Revenue Bureau, which has sent every available officer into the field to help the public to understand the requirements and to prepare the returns.

Who Must Make Return.
 It is estimated that many thousands of single and married persons in this section of the United States who have never before made annual returns are required to do so this year.

Income tax returns must be made between now and March 15 by persons who come under the following classifications:

Any unmarried person whose 1918 net income was \$1,000 or over. Widows and widowers, divorcees and married persons who are living apart from their husbands or wives, are for the purposes of the Income Tax classed as unmarried.

Any married person living with wife or husband whose 1918 net income was \$2,000 or over. The income of both husband and wife must be considered, together with the earnings of minor children, if any.

Revenue Bureau Offers Aid.
 Each person in the United States who is in either of these classifications must get busy at once if penalties are to be avoided. He should secure a blank Form 1040 A for reporting net income up to \$5,000, or Form 1040 if his net income exceeded that amount. Forms are being distributed by Collectors and their Deputies, also by banks. By following the instructions on the forms a correct return can be prepared at home. If a person needs advice or aid, the Deputy Collectors in the field will furnish this without charge.

The new Revenue law places the Income Tax duty on citizens and residents. The Internal Revenue Bureau is sending its men to work right with the public to get the tax and the returns in. With active co-operation, every tax due March 15 will be paid and every return required by law will be in the Revenue offices on time.

Exemptions Allowed.
 A single person is allowed a personal exemption of \$4,000. If he is supporting in his household relatives who are dependent upon him, he may claim the status of the head of a family who has the same exemption as if married.
 A married person, who lives with wife or husband, is allowed a personal exemption of \$2,000. The head of a family is entitled to claim a similar personal exemption.

An additional exemption of \$200 is allowed for each person under eighteen or incapable of self support, who was dependent upon and received his chief support from the taxpayer.

A husband and wife living together are entitled to but one personal exemption of \$2,000. If they make separate returns, the exemption may be claimed by either or divided.

Accuracy Required.
 Absolute accuracy is necessary in making up income figures. Any person who is working for wages should find out exactly how much he received during the whole year 1918. Fees, bank interest, bond interest, dividends, rents received, and all other items must be reported correctly. Mere guesses are not accepted, for they are unjust alike to the taxpayer and the Government, and defeat the proper administration of the law.

INCOME TAX IS TRULY POPULAR.

 "The payment of Income taxes takes on a new significance which should be understood by every citizen. The taxation system of this country is truly popular, of the people, by the people and for the people. Every citizen is liable to tax, and the amount of the tax is graduated according to the success and fortune attained by each individual in availing himself of the opportunities created and preserved by our free institutions. The method and degree of the tax is determined by no favored class, but by the representatives of the people. The proceeds of the tax should be regarded as a national investment."—Daniel C. Roper, Commissioner of Internal Revenue.

WOMEN GIVE OUT.

Housework is hard enough when healthy. Every Lousburg woman who is having backache, blue and nervous spells, dizzy headaches and kidney or bladder troubles, should be glad to heed this Lousburg woman's experience:

Mrs. W. M. Pleasants, Cedar St., says: "Three years ago I was in bad shape with my kidneys. I was annoyed by the way they acted and my back was so lame and sore that if I would do a little too much lifting, severe pains would come over my kidneys. My head ached badly at times, too and I was nervous and couldn't stand the least noise. I heard a whole lot of Doan's Kidney Pills and I began taking them—I got my supply at the Aycock Drug Co. I am glad to say they certainly relieved this trouble."

Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Pleasants had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

To Our Friends and Patrons

"If you have got sold and do not intend to sell any of your Liberty Bonds, this letter is not intended for you.

"If you have sold or contemplate selling any of your Liberty Bonds, read and study this letter carefully, then put your Liberty Bonds in a safe place and KEEP THEM.

"Speaking recently on the subject of the selling of Liberty Bonds, which has been taking place, the Secretary of the Treasury said:

"Our boys at the front in the service of their Government have never quit. If you sell your Liberty Bonds, you quit at a time when the Government needs your continued support. Every time you quit by selling your Liberty Bonds, you hurt the credit of your Government and make it more difficult to finance the war. The cost of the war continues until peace is signed, and our gallant boys are brought back to American soil."

"We wish to urge upon every one of you not to sell your Liberty Bonds under any circumstances. If you are without food or are about to be dispossessed from your home, then is the time to consider borrowing money on your bonds, but not until then.

"This also applies to War Savings Certificate Stamps and Thrift Stamps. Do not sell either.

"Always remember that if the boys who sailed from this country for France, after arriving in France had turned and come home without fighting, we would not be talking about holding Liberty Bonds, but would probably be getting together all we own in the world, each and every one of us, for the purpose of handing it over to the Kaiser in the form of taxes.

"If Liberty Bonds sell at less than par on the Exchanges, it is simply because a lot of people are dumping them on the market instead of holding them as they should do. These bonds will eventually sell at par or above, and your money is safer in them than it would be in any other investment.

"If, in the future, the roll is called for holders of Liberty Bonds, be sure you have your badge of honor in the form of your original Liberty Bonds."
