STOMACH ACTS FINE! NO INDIGESTION, GAS, HEARTBURN, ACIDITY

"Pape's Diapepsin" fixes sleek, sour, upset stomachs in five minutes.

You don't want a slow remedy when your stomach is bad—or an uncertain one—or a harmful one—your stomach is too valuable; you mustn't injure it with drastic drugs.

Pape's Diapepsin is noted for its speed in giving relief; its harmlessness; its certain, unflinching action in regulating sick, sour, gassy stomachs. Its quick relief in indigestion, dyspepsia and gastritis, when caused by acidity, has made it famous.

Keep this wonderful stomach sweetener in your home—keep it handy—get a large fifty-cent case from any drug store and then if anyone should eat something which doesn't agree

with them; if what they eat lays like lead, ferments and sours and forms gas; causes headache, dizziness and nausea; eructations of acid and undigested food—remember as soon as Pape's Diapepsin comes in contact with the stomach it helps to neutralize the excessive acidity, then all the stomach distress caused by it disappears. Its promptness, certainty and ease in overcoming such stomach disorders is a revelation to those who try it.
