

ROBUSTNESS

Nature has not been prodigal with everybody in the matter of robustness. Many, all through life, must stand guard and combat colds, coughs, bronchitis or perhaps more serious pulmonary ailments.

For nearly five decades

SCOTT'S EMULSION

has been helping to turn weakness into strength. For those who are delicate, with tender lungs, weak throats and a proneness to debility and anemia, the definite nourishing and tonic qualities of Scott's are of special value.

No Worms in a Healthy Child

All children troubled with worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILLI TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Nature will then throw off or dispel the worms, and the Child will be in perfect health. Pleasant to take. 60c per bottle.
