### PAY AND FILE INCOME TAX **BEFORE MAR. 15**

U. S. Internal Revenue Bureau Gives Warning That Severe Penalties Will Be Enforced.

#### WOMEN WITHIN LAW'S SCOPE; HOW THEY REPORT INCOME

The Income Tax drive comes to a close on Saturday night, March 15.

All payments and returns due on that date under the provisions of the new Revenue Law must be in the hands of local Internal Revenue Collectors before their offices close that night.

The Income Tax is being collected to meet the war expenses. Every person who shouted and tooted his horn on Armistice Day is now called upon to contribute his share of the cost of winning the war.

The laggards and the dodgers will face severe fines and jail sentences. The Internal Revenue Burcau an-nounces that its officers will check us all up to see that every person who comes within the scope of the Income Tax law did his share.

#### Where to Pay and File.

. Residents of North Carolina should make their returns and pay their taxes to Josiah W. Bailey, Collector of Internal Revenue, Raleigh, or to Austin D. Watts, Statesville, or to any of the deputy, collectors who are now do-ing free advisory work on Income Tax.

Payments sent by mail should be at-tached to the returns and should be in the form of check, money order or draft. Cash payments by mail are sent

at the taxpayer's rick of loss.

If you are unable to make your return personally because of illness, absence or incapacity, an agent or legal representative may make your return. If there are any doubtful points as to your items of income or allowable deductions, you should get in touch at once with a Revenue officer or a bank-er for advice.

#### Women Pay Tax.

Women are subject to all the requirements of the Income Tax. Whether single or married, a woman's income from all sources must be considered. If unmarried, or if living apart from her husband, she must make her re-turn for 1918 if her net income was

\$1,000 or over.

If married and living with her husband, her income must be considered with the husband's in determining the liability for a return. Their joint in-come, less the credits allowed by law, is subject to normal tax. The wife's net income is considered separately in computing any surtax that may be due. Husband and wife file jointly, as a rule. If the husband does not include his wife's income in his return, the wife must file a separate return.

#### Severe Penalties

The new Revenue Law places severe penalties on a person who fails to make return on time, refuses to make return or renders a fraudulent return Feturn or renders a fraudulent return. For failure to make return and pay tax on time a fine of not more man \$1,000 is named, and 25 per cent of the tax due is added to the assessment. For retusing winding to make for making a false or fraudulent return there is a fine of not exceeding \$10,000 and invalidations of the part of th

\$10,000 and impresonment of not exceeding one year,

#### Farmers' Income Taxable.

Every farmer and ranchman who had a fair or a good year in 1918 must heed the Income Tax this year. He must consider all his income as taxable. He is entitled to deduct from his gross income all amounts expended in carrying on his farm. The cost of farm machinery, farm buildings and improvements cannot be deducted. The cost of live stock, either for resale or for breeding purposes, is also regarded as investment.

#### Overtime and Bonuses Taxed.

Salary and wage earners must con-sider as taxable every item received from employeers and from other sources. Bonuses and overtime pay sources. Bonuses and overtime pay are to be reported, as well as the regular payments,
