### LIFT CORNS OR CALLUSES OFF

Doesn't hurt! Lift any corn or callus off with fingers

Don't suffer! A tiny bottle of Freezeone costs but a few cents at any drug store. Apply a few drops on the corns calluses and "hard skin" on bottom of feet, then lift them off.

When Freezeone removes corns from the toes or calluses from the bottom of feet, the skin beneath is left pink and healthy and never sore, tender or irritated.

#### A Card of Thanks.

We wish to express our thanks and gratitude to the kind friends who did all they could for us in the sickness and death of our husband and father. Mrs. J. R. Wheeler and Children.
