THE TRAVELING MAN'S FIRST AID This One Found Something That Took The Misery Out of Life On The Road.

Those who travel regularly for business must be of good disposition and robust constitution to withstand the strain of sleeping in different and indifferent hotels, eating here and there and living out of a hand bag. D. E. Oakes, a widely known traveling man who lives at 312 N. Forbis St., Greensboro, has made traveling more of a pleasure, and this is the way that he does it:

"Life on the road is easier for me now, since I found a way to keep myself in perfect physical condition. For six or seven years I have carried around with me a bad case of indigestion and stomach trouble. I was very nervous, could not sleep and eating was out of the question with me, as it made me sick to look at food. In Peplac I found a remedy that gave me relief and now I sleep fine, indigestion has left me, I can eat anything I want and am not sick afterward. I consider Peplac indispensable to my health and would never permit myself to be without it."

Peplac is sold and recommended in Louisburg at Scoggins Drug Store, Winston Blanks Drug Co., Youngsville T. E. Holding, Wake Forest, and W. W. Parker at Henderson. Buy a bottle today it has helped others and will do the same for you.

To the Memory of a Good Man.

On the evening of January 22nd, 1919, after a day spent in the usual activities of life, brother J. S. Batchelor died. Apparently in health he laid down to his repose at night. In a short time his heart became inactive and with hardly a groan he passed into the great beyond.

Brother Batchelor was born February 17, 1861, and his entire life was spent at, or near his birthplace, out in the country close to nature and to Nature's God where for nearly three score years he felt the touch of the seasons as they came and went, making up the years of his life.

At the early age of 17 years he professed religion and joined Cedar Rock Baptist church where he remained a member for some time, doing active service as a Christian brother. He afterwards removed his membership to Castalia, and later to Red Bud Baptist church where he remained a faithful member until the time of death.

He was for years a consistent member of Cedar Rock Masonic Lodge, acting as treasurer of the Lodge for a succession of terms.

I remember on one occasion this remark about Brother Batchelor by a brother mason, "I would as I live take the chance of brother and Batchelor for Heaven as that of brother G. M. Dnke." What an expression of confidence in the brother's Christianity! But such was the esteem in which the was held by his brethren.

Brother Batchelor was laid to rest by his friends and brethren with masonic honors in the home cemetery

where his father and mother sleep, and where the sun-beams, peeping over the old apple tree, will pay upon his last resting place.

He leaves a wife and large family of children and many friends to mourn their loss.

I, his personal friend, feel like saying in the words of Bryant, that he went,

"Like one who wraps the drapery of his couch About him and lies down to pleasant dreams."

TRY IT! SUBSTITUTE FOR NASTY CALOMEL

Starts your liver without making you sick and can not sallyate.

Every druggist in town—your druggist and everybody's druggist has noticed a great falling off in the sale of calomel. They all give the same reason—Dodson's Liver Tone is taking its place.

"Calomel is dangerous and people know it, while Dodson's Liver Tone is perfectly safe and gives better results," said a prominent local druggist. Dodson's Liver Tone is personally guaranteed by every druggist who sells it. A large bottle costs but a few cents, and if it fails to give relief in every case of liver sluggishness and constipation, you have only to ask for your money back.

Dodson's Liver Tone is a pleasant-tasting, purely vegetable remedy, harmless to both children and adults. Take a spoonful at night and wake up feeling fine; no biliousness, sick head-

ache, acid stomach or constipated bowels. It doesn't gripe or cause inconvenience all the next day like violent calomel. Take a dose of calomel today and tomorrow you will feel weak, sick and nauseated. Don't lose a day's work! Take Dodson's Liver Tone instead and feel fine, full of vigor and ambition.

W. H. Dickerson.

God in his great love saw fit to take from his home and loves ones, William Henry Dickerson, following an attack of influenza pneumonia. He died at 11:45 on the night of Feb. 14, 1919 at his home in Warren Co. Mr. Dickerson was 41 years, two months and 5 days old at his death and leaves a wife, who was Miss Jennie Dunn before marriage and seven children namely, Edwin, Geraldine, Andrew, Jesse, May, Elizabeth, Willie Greene and Annie Belle, age from one to fourteen years. He was the only child of Mr. and Mrs. I. G. Dickerson, of Warren County, N. C.

He was a prosperous farmer and loyal citizen and member of Liberty Christian church. Willie was always a devoted child, husband and father to his loved ones. He was laid to rest on Feb. 16 at the family cemetery near Epsom. None of his family could attend the burial as they were sick with the influenza.

May God comfort the bereaved ones in the dark hour and may they be able to meet him in a better world. "We shall meet to part no never, Safe beyond the swelling tide, Free from pain and sorrow ever There with loved ones to abide."
