Satisfaction Or Your Money Back

WHY ONE MORE LOAN IS NEEDED

It Will Settle Nation's War
Debts and Will Care for
Sick and Wounded.

Once in a while some one asks:
"What's the need of another Liberty
Loan now that the war is over?"
Revenue from taxes will not be suf-
ficient to pay all the bills, so the
people will be called upon to provide
the money by subscribing to govern-
ment bonds. This money is going to
pay off the army of producers at home
—the farmers, merchants, manufac-
turers and others.

America had just begun to fight
when the Hun decided it was time to
quit. Allied leaders expected the war
to last another year and the United
States government was turning out
ships, arms, ammunition and food to
overwhelm Germany in one big
drive.

Treasury officials have revealed
that in 1919 America would have had
a tank at the front for every seventy-
five feet of line. We would have had
ten tons of mustard gas ready for
shipment for every ton Germany
could produce. Thousands of batter-
ies of guns would have been in ac-
tion for every one America had in 1918.
Everything else was being produced
in proportion.

This gigantic preparation brought
an early end to the war and saved
thousands of lives. Victory Liberty
Bonds will pay for this work which
had been contracted for and was be-
ing delivered when the armistice was
signed.

There are other purposes for which
money is needed. Part of our army of
2,000,000 men must be kept in Europe
until the peace treaty is signed.
These soldiers must be fed, clothed
and otherwise maintained. Then they
must be brought home.

The sick and wounded must be car-
ed for in hospitals. The army must
be demobilized. There are thousands
of maimed soldiers, heroes of the
great war, who must be taught self-
supporting trades and given an oppor-
tunity to earn their living.

This reconstruction work at home
must be carried on. The job must be
finished. The American people who
furnished the money to win the war
must supply it also to bring the na-
tion back to a peace basis.

No Worms in a Healthy Child

All children troubled with worms have an un-
healthy color, which indicates poor blood, and as a
rule, there is more or less stomach disturbance.
GROVE'S TASTELESS CHILL TONIC given regularly
for two or three weeks will enrich the blood, im-
prove the digestion, and act as a General Strength-
ening Tonic to the whole system. Nature will then
throw off or dispel the worms, and the Child will be
in perfect health. Pleasant to take. 66c per bottle.

ter all.

NORTH CAROLINIAN GIVES TESTIMONY

Mrs. Walston Declares Her Troubles
Are Gone and She Has Gained Twen-
ty-two Lbs. Since Taking Tanlac.

Among the thousands of wellknown
people who are daily testifying to the
remarkable merits of Tanlac, no one is
more enthusiastic over the benefits
derived from the medicine, than Mrs.
L. F. Walston, of Macesfield, North
Carolina.

According to her own statement Mrs.
Walston gained twenty-two pounds
and has been relieved of a serious and
aggravating rheumatic condition thru
the use of Tanlac after other treat-
ment had failed to help her. Her un-
solicited letter to the Tanlac Offices at
Atlanta, Georgia is reproduced below:
Gentlemen:

This is to certify that I have taken
Tanlac with the best results. I suf-
fered intense pain from rheumatism
and had the doctor treating me for five
months but got no better.

Someone told me to try Tanlac and
I was surprised at the good it did.
The first bottle seemed to relieve me,
so I continued taking it until I was
restored to health and now I feel like
a new person. I have taken only eight
bottles so far.

When I began using the medicine I
weighed only 118 pounds and I now
weigh 140 pounds and I cannot say too
much for Tanlac.

You are at liberty to publish this as
I wish everyone who suffers with rheu-
matism could try Tanlac.

Yours respectfully,
MRS. L. F. WALSTON.

66 Years Success

The Wonderful Record of Dr.
Thacher's Liver and
Blood Syrup.

Those medicines which live for even
a quarter of a century are exceptional,
and continuous use for over two thirds
of a century is indisputable evidence of
wonderful merit.

Dr. Thacher's Liver and Blood Syrup
came into existence in 1852, and from
that time to the present it has grown
in the confidence and estimation of its
yearly increasing number of users.
Through all these years it has steadily
grown in popular favor.

Its wonderful building up power is
shown in the experience of Mrs. C. E.
Chadwick, Seale, Ala. "I was all run
down in health," she says. "Weighed
only 104 pounds and getting worse
every day. I began the use of Dr.
Thacher's Liver and Blood Syrup and
today, I am thankful to say, I am in
perfect health and weigh 155 pounds.
I attribute my good health to the use
of that most wonderful medicine. I
firmly believe there are numerous suf-
fering people that could be sound and
well by the use of Dr. Thacher's Liver
and Blood Syrup."

If you need a tonic, or a blood puri-
fier; if your liver is out of order, your
stomach troubles you, or you are con-
stipated, have indigestion or dyspepsia,
try Dr. Thacher's Liver and Blood
Syrup. It is purely vegetable and
cannot possibly injure any one. It has
been of wonderful benefit to others,
therefore should command your atten-
tion. All dealers in medicines sell it
and will recommend it.
