

On Saturday night, March 29th, time will change. We recognize only ONE TIME--The time the Government, Banks and Railroads use. Monday, March 31st, and thereafter until further notice our store will open at 7 a. m., and close at 6 p. m.,

### Except Saturday

This may seem a little early to close, but we feel that our clerks and office force are entitled to some outdoor exercise, fresh air and sunshine as well as a little time in which to cultivate a garden and we believe our good friends and customers will cooperate with us in showing our employees this deserved consideration.

#### NURSE TALKS OF HOSPITAL WORK

Tells How She Keeps Herself in Proper Condition To Discharge Her Duties.

Those who minister to the sick must be fitted for this work. They must have good nerves, patience and extreme gentleness to properly perform the duties of a trained nurse. Mrs. Dora Smith a popular nurse at St. Luke's Home, knows the duties and requirements of a competent nurse.

She says: "Indigestion and heart trouble impaired my nervous system and caused me to become excited at the least thing. A cup of coffee was like poison to me and was sure to be followed by distressing heart trouble. I could not properly digest any food and felt miserable at all times. I took Peplac and now, I can even drink coffee without any nervousness. I feel much better and derive real pleasure from my work. Peplac has made life worth living for me."

Peplac is sold and recommended in Louisburg at Scoggins Drug Store, Winston-Blanks Drug Co., Youngsville T. E. Holding, Wake Forest, and W. W. Parker at Henderson. Buy a bottle today it has helped others and will do the same for you.

**No Worms in a Healthy Child**  
All children troubled with worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Nature will then throw off or dispel the worms, and the Child will be in perfect health. Pleasant to take. 60c per bottle.

Nothing but a surgical operation will bring out the best there is in some men.

#### WHAT OTHERS SAY OF MRS. JOE PERSON'S REMEDY.

**SUFFERED FROM ECZEMA**  
Mount Olive, N. C., April 16, 1917.  
For several years I have been a sufferer from Eczema, and after trying the skill of the best doctors, I found no relief. I was advised to try Mrs. Joe Person's Remedy, and I have found all the relief that I could have hoped for, and I can truthfully say I consider it the best medicine on the market. I would advise all suffering from Eczema or any blood disease to take the Remedy, and be relieved of one of the most trying diseases that we are afflicted with.

Several years ago my husband suffered with boils of a stubborn nature, and nothing gave any relief until he tried Mrs. Joe Person's Remedy, which relieved him entirely, and he has never had a return of the trouble since. We can not say too much in praise of Mrs. Joe Person's Remedy, for we use it as a household medicine.

#### WOMEN PRAISE STELLA-VITAE

We want every afflicted woman to try at least one bottle of Stella-Vitae on our plain, open guarantee to return the money paid for it if it does not benefit. If you doubt our word that it will relieve the distressing aches, pains and misery peculiar to the diseases of women, read the testimony of these women who have tried it and seen the results.

Others what it has done for them. The only interest they have in the matter is that which any true woman feels in helping to relieve the sufferings of other women. You can believe them. Mrs. J. F. Lee, Milledale, Ga., had female complaints for years. Three bottles of STELLA-VITAE cured her, she said, and added, "I am certainly thankful for this great female tonic." Mrs. Paralee Frazier, Longview, Tex., expressed appreciation of STELLA-VITAE in these words: "I cannot say too much for this wonderful medicine. I had taken other female medicines for two years with no good results. I am truly grateful for the good STELLA-VITAE has done me." Mrs. Sandy Withers, of Greensboro, Ala., was a terrible sufferer from female trouble—and only a woman knows what that means! Her condition got so bad her pains threw her into spells like fits. Her husband feared she would lose her mind. The Greensboro doctors pronounced her incurable. Then somebody suggested that she take STELLA-VITAE. She did so. The first dose lightened her spells. STELLA-VITAE is a perfectly harmless compound and it not only alleviates a woman's pain, but builds up her health; it stimulates her appetite, aids digestion, quiets her nerves and clears her complexion. It improves her personal appearance.

All dealers sell Stella-Vitae, and are authorized to return the money paid for the first bottle if it does not benefit.
