### No Better Tire On the Market

In offering The Brunswick to our customers we have complete faith in its ability to satisfy.

### Brunswick CORD TIRES

We know all tires, their good points and bad. None equal The Brunswick. They combine all the approved features and avoid the weaknesses.

Every Brunswick we sell gives us a satisfied customer.

Brunswick Tires are built by The Brunswick-Balke-Collender Company, famous manufacturer for 73 years.

The name Brunswick certifies an extraordinary tire, such as you have not been able to obtain heretofore.

In making these superior tires, first costs are disregarded by the makers. And we doubt if ever before any tire maker was satisfied with such a small margin of profit.

Other tire makers may call The Brunswick extravagantly built, but The Brunswick is built to maintain a great reputation.

Brunswick Tires cost you the same as like-type tires.

You do not have to pay extra for The Brunswick standard.

See what these standards mean to you by testing a tire or two. We sell them on a 5000-mile adjustment basis.

### YES, I AM STILL IN THE OLD GIN HOUSE ON THE CORNER

I am still in business and am selling flour at a lower price than any other merchant and in fact anything else that is carried in a first class Grocery Store.

I also have a large supply of Hay, Grain and Feed stuff that

I can sell at a lower price than the other fellow. So why drive by store and pay more for your feed stuff and pull it back up that long hill from town. I don't feel sorry for you Mr. Farmer but God how sorry I do feel for that poor horse and your pocket book. Why do you drive right by a good thing? Come to see me the next time you need anything in my line and I will save you money.

### "BAYER CROSS" ON ASPIRIN

Always Ask for Genuine "Bayer Tablets of Aspirin"

Only Aspirin Tablets with the safety "Bayer Cross" on them are genuine "Bayer Tablets of Aspirin," owned and made by Americans and proved safe by millions of people. Unknown quantities of fraudulent Aspirin Tablets were sold recently by a Brooklyn dealer, which proved to be composed mostly of Talcum Powder.

"Bayer Tablets of Aspirin" should always be asked for. Then look for the safety "Bayer Cross" on the package and on each tablet. Accept nothing else! Proper directions and dosage in each Bayer package.

Aspirin is the trade mark of Bayer Manufacture of Monoaceticacidester of Salicylicacid.

### CONSTIPATION

And Sour Stomach Caused This Lady Much Suffering. Black-Draught Relieved.

Meadorsville, Ky.—Mrs. Pearl Patrick, of this place, writes: "I was very constipated. I had sour stomach and was so uncomfortable. I went to the doctor. He gave me some pills. They weakened me and seemed to tear up my digestion. They would gripe me and afterwards it seemed I was more constipated than before. I heard of Black-Draught and decided to try it. I found it just what I needed. It was an easy laxative, and not bad to swallow. My digestion soon improved. I got well of the sour stomach, my bowels soon seemed normal, no more griping, and I would take a dose now and then, and was in good shape."

I cannot say too much for Black-Draught for it is the finest laxative one can use.

Thedford's Black-Draught has for many years been found of great value in the treatment of stomach, liver and bowel troubles. Easy to take, gentle and reliable in its action, leaving no bad after-effects, it has won the praise of thousands of people who have used it. NC-135
